Information Collection Request Title: Health Insurance Reform Security Standards—Final Rule.

The final rule was published in the **Federal Register** (68 FR 8334) as CMS–0049–F published on February 20, 2003. On May 22, 2013, CMS 0938–0949 was transferred to OCR 0945–0004.

Abstract: Office of Civil Rights, OCR requests approval to extend this collection without change while OMB reviews our request to incorporate the burdens of compliance with the Security Rule into another existing ICR (OMB #0945–0003, for the HIPAA Privacy Rule and Supporting Regulations), which is being revised to better reflect our experience in administering and enforcing the HIPAA

Rules. This ICR extends the existing approved information collection for applicable compliance activities associated with the HIPAA Security Rule. When the revised ICR with OMB #0945–0003 is approved, we will request that this ICR (OMB #0945–0004) be discontinued.

Likely Respondents: HIPAA covered entities and their business associates.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

[Document Identifier: HHS–OS–0945–0003–30D]

Agency Information Collection Activities; Submission to OMB for Review and Approval; Public Comment Request

AGENCY: Office of the Secretary, HHS.

ACTION: Notice.

SUMMARY: In compliance with section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, has submitted an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB) for review and approval. The ICR is for

revision of the approved information collection assigned OMB control number 0945–0003, scheduled to expire on January 1, 2017. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public on this ICR during the review and approval period.

DATES: Comments on the ICR must be received on or before June 20, 2016.

ADDRESSES: Submit your comments to OIRA_submission@omb.eop.gov or via facsimile to (202) 395–5806.

FOR FURTHER INFORMATION CONTACT: Information Collection Clearance staff, Information.CollectionClearance@hhs.gov or (202) 690–6162.

SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the OMB control number 0945–0003–30D for reference.

Proposed Project: HIPAA Privacy, Security, and Breach Notification Rules, and Supporting Regulations Contained in 45 CFR parts 160 and 164.

Abstract: This revision does not change any requirements of the HIPAA Privacy, Security, and Breach Notification Rules. Among other updates summarized below, the ICR requests to rename the information collection and incorporate into it the substance of two other information collections (#0945–0004, set to expire on May 31, 2016; and #0945–0001, expiring on September 30, 2016), which then would be discontinued. The ICR addresses the burden on regulated entities for compliance with the

information collection requirements of the HIPAA Privacy, Security, and Breach Notification Rules; the voluntary burden on members of the public for obtaining information from covered entities regarding breaches of their protected health information; and the information collection burden on the Office for Civil Rights (OCR) associated with administering aspects of the HIPAA Breach Notification program.

Combining the three existing information collections identified above will allow the regulated community, the public, and OCR to more easily view and track the estimated burdens associated with the HIPAA Rules that are administered and enforced by OCR. In addition to combining the ICRs, the proposed updates take into account our experience administering the Rules to more accurately reflect the burdens of

compliance with the applicable regulatory requirements; remove the estimated burden of initial compliance with the Omnibus HIPAA Final Rule, because we are well past the compliance dates; and incorporate increases in wages for the job categories that we expect to be involved in compliance activities.
