

proposal with regard to the Tier Size Pilot.

FINRA has filed the proposed rule change for immediate effectiveness. The operative date of the proposed rule change will be June 10, 2016.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹¹ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA also believes that the proposed rule change is consistent with the provisions of Section 15A(b)(11) of the Act.¹² Section 15A(b)(11) requires that FINRA rules include provisions governing the form and content of quotations relating to securities sold otherwise than on a national securities exchange which may be distributed or published by any member or person associated with a member, and the persons to whom such quotations may be supplied.

FINRA believes that the extension of the Tier Size Pilot until December 9, 2016, is consistent with the Act in that it would provide the Commission and FINRA with additional time to finalize its proposal with regard to the Tier Size Pilot.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section

19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴

A proposed rule change filed under Rule 19b-4(f)(6)¹⁵ normally does not become operative prior to 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁶ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

FINRA has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because such waiver will allow the pilot program to continue without interruption. Therefore, the Commission designates the proposal operative upon filing.¹⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2016-0005]

Supplementary Agreement Amending the Agreement on Social Security Between the United States and the Czech Republic; Entry Into Force

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: The Acting Commissioner of Social Security gives notice that a supplementary agreement coordinating the United States (U.S.) and the Czech Republic social security programs will enter into force on May 1, 2016. The original agreement with the Czech Republic was signed on September 7, 2007. The intent of the original agreement was that workers covered exclusively under U.S. laws while working in the Czech Republic would be exempt from the Czech health insurance contributions. A change in Czech law after the signing of the original 2007 agreement caused these workers to be liable for Czech health insurance taxes. This result was inconsistent with the purpose of the totalization agreement to eliminate duplicate taxation as permitted by 42 U.S.C. 433 and 26 U.S.C. 3101(c).

The supplementary agreement exempts a worker subject exclusively to U.S. laws from contributing to the Czech health insurance system. The supplementary agreement achieves this by placing the new Czech health insurance law, the Act on Public Health, within the scope of the 2007 U.S.-Czech Agreement.

Individuals who wish to obtain copies of the agreement or want more information about its provisions may write to the Social Security Administration, Office of International Programs, Post Office Box 17741, Baltimore, MD 21235-7741 or visit the Social Security Web site at www.socialsecurity.gov/international.

Dated: May 24, 2016.

Carolyn Colvin,

Acting Commissioner of Social Security.
