

DEPARTMENT OF DEFENSE**Department of the Army; Corps of Engineers****Withdrawal of Notice of Intent for the Environmental Impact Statement Process for the Compass Minerals—Ogden's Solar Evaporation Pond Expansion Project Within the Great Salt Lake, Box Elder County, UT**

AGENCY: Department of the Army; Corps of Engineers, DoD.

ACTION: Notice of Intent; withdrawal.

SUMMARY: In accordance with the National Environmental Policy Act (NEPA), on November 1, 2007 the U.S. Army Corps of Engineers (Corps), Sacramento District, initiated the Environmental Impact Statement (EIS) process to evaluate the effects of the proposed expansion of solar evaporation ponds in the Great Salt Lake, Box Elder County, Utah and to assist the Corps in deciding whether to approve Great Salt Lake Mineral Corporation's application under Section 404 of the Clean Water Act. On December 23, 2015, the applicant for the proposed project withdrew their application for a Department of the Army Permit. Therefore, the Corps is terminating the EIS process, and is issuing this Notice of Intent to withdraw the November 1, 2007 Notice of Intent to Prepare an EIS.

FOR FURTHER INFORMATION CONTACT: Questions about the proposed action and this Notice of Intent can be answered by Mr. Jason Gipson at 801-295-8380 x14, or email at Jason.A.Gipson@usace.army.mil. Please refer to identification number SPK-2007-00121.

SUPPLEMENTARY INFORMATION: Great Salt Lake Minerals Corporation, now Compass Minerals-Ogden (CMO) applied for Corps authorization under Section 404 of the Clean Water Act in 2007. The project as proposed would have resulted in the discharge of dredged and/or fill material into 107.3 acres of the Great Salt Lake to expand solar pond evaporation areas adjacent to existing ponds on the west side of the Great Salt Lake by constructing 54,000 acres of additional ponds. Due to potentially significant environmental effects associated with the proposed action, on November 1, 2007, the Corps issued a Notice of Intent to Prepare and EIS (72 FR 61871). Since publishing the Notice of Intent, the applicant has redesigned the project such that no waters of the U.S. would be impacted by the project and have withdrawn their permit application. As such, the Corps is terminating the EIS process, in

accordance with Corps regulations at 33 CFR part 230, Appendix C(2) and 33 CFR part 325, Appendix (8)(g).

AGENCY: Federal Student Aid (FSA), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 *et seq.*), ED is proposing an extension of an existing information collection.

DATES: Interested persons are invited to submit comments on or before August 22, 2016.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED-2016-ICCD-0073. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW., LBJ, Room 2E-347, Washington, DC 20202-4537.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Beth Grebeldinger, 202-377-4018.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department

assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: FFEL/Direct Loan/Perkins Military Service Deferment/Post-Active Duty Student Deferment Request.

OMB Control Number: 1845-0080.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 16,000.

Total Estimated Number of Annual Burden Hours: 8,000.

Abstract: The Military Service/Post-Active Duty Student Deferment request form serves as the means by which a Federal Family Education Loan (FFEL), Perkins, or Direct Loan borrower requests a military service deferment and/or post-active duty student deferment and provides his or her loan holder with the information needed to determine whether the borrower meets the applicable deferment eligibility requirements. The form also serves as the means by which the U.S. Department of Education identifies Direct Loan borrowers who qualify for the Direct Loan Program's no accrual of interest benefit for active duty service members.
