

For a period until July 13, 2018, subject to valid existing rights, the public land described in this notice will be segregated from location and entry under the United States mining laws, the mineral and geothermal leasing laws, and disposal under the Materials Act of 1947, unless the application is denied or canceled or the withdrawal is approved prior to that date.

Licenses, permits, cooperative agreements or discretionary land use authorizations of a temporary nature that would not impact the site may be allowed with the approval of an authorized officer of the BLM during the temporary segregative period.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

Jenna Whitlock,

Acting State Director.

BILLING CODE 4310-DQ-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[MTM 75213]

Public Land Order No. 7854; Revocation of Secretarial Order Dated October 13, 1908; Montana

AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This order revokes the withdrawal created by a Secretarial Order insofar as it affects the remaining 100 acres of land in the Gallatin National Forest reserved for use by the United States Forest Service for the Mill Ranger Station. The Forest Service determined the land is no longer needed for administrative site purposes and the revocation is needed to accommodate a pending land exchange.

DATES: This Public Land Order is effective on July 13, 2016.

FOR FURTHER INFORMATION CONTACT:

Tami Lorenz, Bureau of Land Management, Montana/Dakotas State Office, 5001 Southgate Drive, Billings, Montana 59101-4669, 406-896-5053. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The 1908 Secretarial Order originally withdrew 160 acres within the Gallatin National

Forest for use as administrative sites. In 1916, the Secretarial Order was partially revoked, leaving the remaining 100 acres that are the subject of this revocation. The site was never developed and the United States Forest Service has identified it for disposal. The land is temporarily segregated from the United States mining laws by a pending land exchange proposal.

Order

By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714, it is ordered as follows:

1. The withdrawal created by the Secretarial Order dated October 13, 1908, which withdrew public land for use by the Forest Service as administrative sites, is hereby revoked in its entirety as to the following described land:

Gallatin National Forest

Principal Meridian, Montana

T. 8 S., R. 7 E.,

Sec. 32, E $\frac{1}{2}$ SW $\frac{1}{4}$ and W $\frac{1}{2}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$.

The area described contains 100 acres in Park County.

2. At 9 a.m. on July 13, 2016, the land described in Paragraph 1 is opened to such forms of disposition as may be made of National Forest System land, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law.

Dated: June 24, 2016.

Janice M. Schneider,

Assistant Secretary—Land and Minerals Management.

BILLING CODE 3410-11-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-475 and 731-TA-1177 (Review)]

Certain Aluminum Extrusions From China; Notice of Commission Determination To Conduct Full Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping and countervailing duty orders on certain aluminum extrusions other than finished heat

sinks from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATES: *Effective Date:* July 5, 2016.

FOR FURTHER INFORMATION CONTACT:

Edward Petronzio (202) 205-3176, Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

SUPPLEMENTARY INFORMATION: On July 5, 2016, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that the domestic interested party group response to its notice of institution (81 FR 18884, April 1, 2016) was adequate. Although the Commission received two responses to its notice of institution from respondent interested parties, the Commission found that the respondent interested party group response was inadequate. The Commission also found that other circumstances warranted conducting full reviews.¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

¹ Chairman Irving A. Williamson and Commissioners Dean A. Pinkert and Rhonda K. Schmittlein voted to conduct expedited reviews.

By order of the Commission.

Issued: July 7, 2016.

Lisa R. Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-541 and 731-TA-1284 and 1286 (Final)]

Cold-Rolled Steel Flat Products From China and Japan; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of cold-rolled steel flat products from China and Japan, provided for in subheadings 7209.15, 7209.16, 7209.17, 7209.18, 7209.25, 7209.26, 7209.27, 7209.28, 7209.90, 7210.70, 7211.23, 7211.29, 7211.90, 7212.40, 7225.50, 7225.99, and 7226.92 of the Harmonized Tariff Schedule of the United States ("HTSUS"),² that have been found by the Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV"), and that have been found by Commerce to be subsidized by the government of China.³

Background

The Commission, pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)), instituted these investigations effective July 28, 2015, following receipt of a petition filed with the Commission and Commerce by AK Steel Corporation (West Chester, Ohio), ArcelorMittal USA LLC (Chicago, Illinois), Nucor Corporation (Charlotte, North Carolina), Steel Dynamics, Inc. (Fort Wayne, Indiana), and United States Steel

Corporation (Pittsburgh, Pennsylvania). The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of cold-rolled steel flat products from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and imports of cold-rolled steel flat products from China and Japan were dumped within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on March 23, 2016 (81 FR 15559). The hearing was held in Washington, DC, on May 24, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on July 7, 2016. The views of the Commission are contained in USITC Publication 4619 (July 2016), entitled *Cold-Rolled Steel Flat Products from China and Japan (Investigation Nos. 701-TA-541 and 731-TA-1284 and 1286 (Final))*.

By order of the Commission.

Issued: July 7, 2016.

Lisa R. Barton,

Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-986]

Certain Diaper Disposal Systems and Components Thereof, Including Diaper Refill Cassettes; Commission Determination Not To Review an Initial Determination Terminating the Investigation Based on a Withdrawal of the Complaint; Termination of the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 9) issued by the presiding

administrative law judge ("ALJ") on June 14, 2016, granting the complainants' unopposed motion to terminate the investigation based on a withdrawal of the complaint. This investigation is terminated.

FOR FURTHER INFORMATION CONTACT:

Robert Needham, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 708-5468. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 29, 2016, based on a complaint filed by Edgewell Personal Care Brands, LLC, of Chesterfield, Missouri, and International Refills Company, Ltd., of Christ Church, Barbados (collectively, "Complainants"). 81 FR 10277-78. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain diaper disposal systems and components thereof, including diaper refill cassettes, by reason of infringement of certain claims of U.S. Patent Nos. 6,974,029 and 8,899,420. *Id.* at 10277. The Commission's notice of investigation named as respondents Munchkin, Inc., of Van Nuys, California; Munchkin Baby Canada Ltd., of Brampton, Ontario, Canada; and Lianyungang Brilliant Daily Products Co. Ltd., of Lianyungang, China. *Id.* at 10278. The Office of Unfair Import Investigations is not participating in this investigation. *Id.* Complainants amended their complaint to add as respondents Lianyungang Rainbow Daily Products Co., Ltd., of Lianyungang, China; and Munchkin Asia Limited, of Hong Kong. Order No. 7 (Apr. 8, 2016), *not reviewed* Notice (Apr. 22, 2016).

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² Commerce's scope indicates that such imports may also enter under the HTS subheadings 7210.90, 7212.50, 7215.10, 7215.50, 7215.90, 7217.10, 7217.90, 7225.19, 7226.19, 7226.99, 7228.50, 7228.60, and 7229.90 (81 FR 32721, May 24, 2016; 81 FR 32725, May 24, 2016; and 81 FR 32729, May 24, 2016).

³ All six Commissioners voted in the affirmative. The Commission also finds that imports from China and Japan subject to Commerce's affirmative critical circumstances determinations are not likely to undermine seriously the remedial effect of the countervailing and antidumping duty orders on cold-rolled steel flat products from China and the antidumping duty order on such products from Japan.
