Assessment Rates

The Department will determine, and CBP shall assess, antidumping duties on

all appropriate entries covered by this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of these final

results of this review. In accordance with 19 CFR 351.212(b)(1), we are calculating importer- (or customer-) specific assessment rates for the merchandise subject to this review. For any individually examined respondent whose weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent), the Department will calculate importer- (or customer-) specific assessment rates for merchandise subject to this review. Where appropriate, we calculated an *ad valorem* rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total entered values associated with those transactions. For duty-assessment rates calculated on this

¹⁷ On July 13, 2015, the Department determined that Zhejiang Fuma Warm Technology Co., Ltd. is the successor-in-interest to Huzhou Fuma Wood Co., Ltd. See *Multilayered Wood Flooring From the People's Republic of China: Final Results of Changed Circumstances Review*, 80 FR 39998 (July 13, 2015). Because Huzhou Fuma Wood Co., Ltd. no longer exists as a legal entity, the rate assigned to Huzhou Fuma Wood Co., Ltd. will apply for assessment purposes only.

¹⁸ On November 16, 2015, the Department determined that Sino-Maple (JiangSu) Co., Ltd. is the successor-in-interest to Jiafeng Wood (Suzhou) Co., Ltd. See *Multilayered Wood Flooring From the People's Republic of China: Final Results of Changed Circumstances Review*, 80 FR 70756 (November 16, 2015). Because Jiafeng Wood (Suzhou) Co., Ltd. no longer exists as a legal entity,

the rate assigned to Jiafeng Wood (Suzhou) Co., Ltd. will apply for assessment purposes only.

¹⁹ On September 30, 2014, the Department determined that Linyi Youyou Wood Co., Ltd. is the successor-in-interest to Shanghai Lizhong Wood Products Co., Ltd./The Lizhong Wood Industry Limited Company of Shanghai. See *Multilayered Wood Flooring From the People's Republic of China: Final Results of Changed Circumstances Review*, 79 FR 58740 (September 30, 2014). Because Shanghai Lizhong Wood Products Co., Ltd./The Lizhong Wood Industry Limited Company of Shanghai no longer exists as a legal entity, the rate assigned to Shanghai Lizhong Wood Products Co., Ltd./The Lizhong Wood Industry Limited Company of Shanghai will apply for assessment purposes only.

basis, we will direct CBP to assess the resulting *ad valorem* rate against the entered customs values for the subject merchandise. Where appropriate, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting per-unit rate against the entered quantity of the subject merchandise.²⁰ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. For Penghong, whose weighted average dumping margin is zero, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²¹ We intend to instruct CBP to liquidate entries of subject merchandise exported by the PRC-wide entity at the PRC-wide rate.

If the Department determines that an exporter under review had no shipments of subject merchandise, any suspended entries that entered under that exporter's case number will be liquidated at the PRC-wide rate.²²

For the companies not selected for individual examination, we will instruct CBP to apply the rate listed above to the entries of subject merchandise exported by such companies and entered during the period from December 1, 2013 through November 30, 2014. This rate is the same as the rate for the one mandatory respondent with a weighted-average dumping margin that is above *de minimis*.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of these reviews for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date in the **Federal Register** of the final results of review, as provided by section

751(a)(2)(C) of the Act. For Penghong, Fine Furniture, and the non-examined, separate rate respondents, the cash deposit rate will be equal to their weighted-average dumping margins established in the final results of this review, except if the rate is zero or *de minimis*, then no cash deposit will be required. Disclosure

We intend to disclose the calculations performed regarding these AR final results within five days of the date of publication of this notice in this proceeding in accordance with 19 CFR 351.224(b).

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the

reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this Administrative Review and notice in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i) of the Act.

Dated: July 12, 2016.
