

shall maintain and use these procedures.

(b) COA shall identify for the Department all members of its board of directors or other governing body, employees, and site evaluators who also serve as officers, directors, employees, or owners of adoption service providers. COA shall demonstrate it has procedures in place to ensure that any such relationships will not influence any accreditation or approval decisions, and shall maintain and use these procedures.

(c) COA shall disclose to the Department any other situation or circumstance that may create the appearance of a conflict of interest.

(2) **Liability:** COA agrees to maintain sufficient resources to defend challenges to its actions as an accrediting entity, including by maintaining liability insurance for its actions as an accrediting entity brought by agencies and/or persons seeking to be accredited or approved or who are accredited or approved, and to inform the Department immediately of any events that may affect its ability to defend itself (*e.g.*, change in or loss of insurance coverage, change in relevant state law). COA agrees that it will consult with the Department immediately if it becomes aware of any other legal proceedings related to its acts as an accrediting entity, or of any legal proceedings not related to its acts as an accrediting entity that may threaten its ability to continue to function as an accrediting entity.

## Article 7

### Liaison Between the Department and the Accrediting Entity

(1) COA's principal point of contact for communications relating to its functions and duties as an accrediting entity will be the Director of Intercountry Adoption Accreditation. The Department's principal point of contact for communication is the Accrediting Entity Liaison officer in the Office of Children's Issues, Office of Overseas Citizens Services, Bureau of Consular Affairs, U.S. Department of State.

(2) The parties will keep each other currently informed in writing of the names and contact information for their principal points of contact. As of the signing of this Agreement, the respective principal points of contact are as set forth in Attachment 1.

## Article 8

### Certifications and Assurances

(1) COA certifies that it will comply with all requirements of applicable State and Federal law.

## Article 9

### Agreement, Scope, and Period of Performance

#### (1) Scope:

(a) This agreement is not intended to have any effect on any activities of COA that are not related to its functions as an accrediting entity for adoption service providers providing adoption services in intercountry adoptions.

(b) Nothing in this agreement shall be deemed to be a commitment or obligation to provide any Federal funds.

(c) All accrediting entity functions and responsibilities authorized by this agreement are to occur only during the duration of this agreement.

(d) Nothing in this agreement shall release COA from any legal requirements or responsibilities imposed on the accrediting entity by the IAA, UAA, 22 CFR part 96, or any other applicable laws or regulations.

(2) **Duration:** COA's designation as an accrediting entity and this agreement shall remain in effect for five years from signature, unless terminated earlier by the Department in conjunction with the suspension or cancellation of the designation of COA. The Parties may agree mutually in writing to extend the designation of the accrediting entity and the duration of this agreement. If either Party does not wish to renew the agreement, it must provide written notice no less than one year prior to the termination date, and the Parties will consult to establish a mutually agreed schedule to transfer adoption service providers to another accrediting entity, including by transferring a reasonable allocation of collected fees for the remainder of the accreditation or approval period of such adoption service providers.

(3) **Changed Circumstances:** If unforeseen circumstances arise that will render COA unable to continue to perform its duties as an Accrediting Entity, COA will immediately inform the Department of State. The Parties will consult and make an effort to find a solution that will enable COA to continue to perform until the end of the contract period. If no such solution can be reached, the contract may be terminated on a mutually agreed date or, if mutual agreement cannot be reached, on not less than 14 months written notice from COA.

(4) **Severability:** To the extent that the Department determines, within its

reasonable discretion, that any provision of this agreement is inconsistent with the Convention, the IAA, the UAA, the regulations implementing the IAA and UAA, or any other provision of law, that provision of the agreement shall be considered null and void and the remainder of the agreement shall continue in full force and effect as if the offending portion had not been a part of it.

(5) **Entirety of Agreement:** This agreement is the entire agreement of the Parties and may be modified only upon written agreement of the Parties.

Dated: July 11, 2016.
