

promptly notify the appropriate State regulatory authority of the request, provide the regulatory authority with a copy of the institution's request for review and any other related materials, and solicit the regulatory authority's views regarding the merits of the request before making a determination. In the event that an appeal is subsequently filed with the SARC, the SARC will notify the institution and the State regulatory authority of its decision. Once the SARC has issued its determination, any other issues that may remain between the institution and the State authority will be left to those parties to resolve.

R. Effect on Supervisory or Enforcement Actions

The use of the procedures set forth in these guidelines by any institution will not affect, delay, or impede any formal or informal supervisory or enforcement action in progress or affect the FDIC's authority to take any supervisory or enforcement action against that institution.

S. Effect on Applications or Requests for Approval

Any application or request for approval made to the FDIC by an institution that has appealed a material supervisory determination that relates to, or could affect the approval of, the application or request will not be considered until a final decision concerning the appeal is made unless otherwise requested by the institution.

T. Prohibition on Examiner Retaliation

The FDIC has an experienced examination workforce and is proud of its professionalism and dedication. FDIC policy prohibits any retaliation, abuse, or retribution by an agency examiner or any FDIC personnel against an institution. Such behavior against an institution that appeals a material supervisory determination constitutes unprofessional conduct and will subject the examiner or other personnel to appropriate disciplinary or remedial action. Institutions that believe they have been retaliated against are encouraged to contact the Regional Director for the appropriate FDIC region. Any institution that believes or has any evidence that it has been subject to retaliation may file a complaint with the Director, Office of the Ombudsman, Federal Deposit Insurance Corporation, 550 17th Street, Washington, DC 20429, explaining the circumstances and the basis for such belief or evidence and requesting that the complaint be investigated and appropriate disciplinary or remedial action taken.

The Office of the Ombudsman will work with the appropriate Division Director to resolve the allegation of retaliation.

By order of the Board of Directors.

Dated at Washington, DC, the 28th day of July, 2016.

Federal Deposit Insurance Corporation.

Robert E. Feldman,

Executive Secretary.

Title: 46 CFR part 532—NVOCC Negotiated Rate Arrangements.

OMB Approval Number: 3072-0071 (Expires July 31, 2016).

Abstract: Section 16 of the Shipping Act of 1984, 46 U.S.C. 40103, authorizes the Commission to exempt by order or regulation "any class of agreements between persons subject to this [Act] or any specified activity of those persons from any requirement of this [Act] if the Commission finds that the exemption will not result in substantial reduction in competition or be detrimental to commerce." The Commission may attach conditions to any exemption and may, by order, revoke an exemption. In 46 CFR part 532, the Commission exempted non-vessel-operating common carriers (NVOCCs) from the tariff rate publication requirements of part 520, and allowed an NVOCC to enter into an NVOCC Negotiated Rate Arrangement (NRA) in lieu of publishing its tariff rate(s), provided the NVOCC posts a prominent notice in its rules tariff invoking the NRA exemption and provides electronic access to its rules tariff to the public free of charge. This information collection corresponds to the rules tariff prominent notice and the requirement to make its tariff publicly available free of charge.

Current Actions: There are no changes to this information collection, and it is being submitted for extension purposes only.

Type of Review: Extension.

Needs and Uses: The Commission uses the information filed by an NVOCC in its rules tariff to determine whether the NVOCC has invoked the exemption for a particular shipment or shipments. The Commission has used and will continue to use the information required to be maintained by NVOCCs for monitoring and investigatory purposes, and, in its proceedings, to adjudicate related issues raised by private parties.

Frequency: An NVOCC invokes the NRA exemption by publishing a prominent notice in its rules tariff once.

Type of Respondents: NVOCCs.

Number of Annual Respondents: 255. New NVOCCs become licensed or registered with the Commission regularly. Of those, approximately 255 invoke the exemption by publishing a tariff rule or prominent notice.

Estimated Time per Response: 15 minutes for those adding a tariff rule to use a combination of tariff rates and NRAs. One hour for those who make their tariff rules publicly available by opting to use NRAs exclusively and posting them to their Web site.

Total Annual Burden: Based on the number of NVOCCs who have filed a rule or prominent notice in their respective tariffs, we calculate that 25% of new NVOCCs will use the NRA exemption. Of those, about 3% will use NRAs exclusively. Almost all will likely use similar language invoking the exemption in their tariffs. For the 255 new respondents that invoke the exemption annually and the 1,295 respondents that have invoked the exemption thus far, the total burden is calculated as follows:

Modification of Tariff:

$8 \times 1 \text{ hour} = 8 \text{ hours}$ (3% using NRAs exclusively)

$247 \times .25 \text{ hour} = 61.75 \text{ hours}$ rounded to 62 (combination of tariff rates and NRAs)

A total of 1,295 NVOCCs thus far have filed a rule or prominent notice in their tariffs invoking the exemption. For those, the recordkeeping burden is estimated as follows.

Recordkeeping:

$1,295 \times 1 \text{ hour} = 1,295 \text{ hours}$

Total annual burden is estimated to be 1,365 hours.

Rachel E. Dickon,

Assistant Secretary.
