DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Modifications of Consent Decree Under the Clean Air Act

On August 3, 2016, the Department of Justice lodged proposed modifications to a Consent Decree with the United States District Court for the Eastern District of Virginia in *United States et al. v. Virginia Electric and Power Company*, Civil Case Nos. 1:03-cv-00517 & 1:03-cv-00603 (E.D. Va.).

The original Consent Decree was entered on October 3, 2003, and resolved civil claims under the Clean Air Act at a number of the Defendant's electric-generating facilities located in Virginia and West Virginia. The Consent Decree imposed various pollution control requirements on Defendant's facilities, including requirements related to particulate matter emissions at Defendant's Brema Power Station located in Fluvanna County, Virginia. The Consent Decree also required the Defendant to fund certain environmental mitigation projects, including certain projects identified by the co-plaintiff States of Connecticut and Virginia.

The parties to the Consent Decree have agreed to certain modifications set forth in three amendments to the Consent. The first amendment modifies the Consent Decree's particulate matter provisions to recognize that the Brema Power Station no longer burns coal or fuel oil and instead is fired exclusively with natural gas. The second and third amendments modify the Consent

Decree's environmental mitigation project provisions to allow the co-plaintiff States of Connecticut and Virginia to use remaining environmental mitigation funds on additional environmental mitigation projects.

The publication of this notice opens a period for public comment on the proposed modifications to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States et al. v. Virginia Electric and Power Company*, Civil Case Nos. 1:03-cv-00517 & 1:03-cv-00603 (E.D. Va.), D.J. Ref. No. 90-5-2-1-07122. ACTION: Notice of availability.

SUMMARY: This notice announces the availability of the 2016 OMB 2 CFR 200, Subpart F—Compliance Supplement (Supplement). The notice also offers interested parties an opportunity to comment on the 2016 Supplement. The 2016 Supplement adds two new programs and deletes five programs (that are completed under the American Recovery and Reinvestment Act). It has also been updated for program changes and technical corrections. In addition, it removed two compliance requirements from the standard list of such requirements: Davis Bacon (formerly compliance requirement D) and Real Property Acquisition and Relocation Assistance (formerly compliance requirement K). Part 3—Compliance Requirements is divided into two subparts. Subpart 3.1 is applicable to awards issued prior to December 26, 2014 and Subpart 3.2 is applicable to awards issued on or after December 26, 2014.

The two added programs are:

- CFDA 14.272—National Disaster Resilience Competition (CDBG—NDR) to form a cluster with CFDA 14.269, Hurricane Sandy Community Development Block Grant Disaster Recovery Grants (CDBG—DR).

All comments on the 2016 Supplement must be in writing and received by October 31, 2016. Late comments will be considered to the extent practicable. We received no comments on the 2015 Supplement.

Due to potential delays in OMB’s receipt and processing of mail sent through the U.S. Postal Service, we encourage respondents to submit comments electronically to ensure timely receipt. We cannot guarantee that comments mailed will be received before the comment closing date.

Electronic mail comments may be submitted to: *Hai M. Tran@omb.eop.gov*.
