

Participant rather than the Protecting Participant, and (ii) by removing the CPDA option and requiring that Participants that Protect outside of DTC to also Cover outside DTC, the proposed rule change would establish a process that would streamline Cover of Protect transactions, allocations and recordkeeping for Participants, and reduce manual processing and the risks, burdens, and costs associated with such processing for DTC, thereby promoting the prompt and accurate clearance and settlement of securities, consistent with the requirements of the Act, in particular Section 17A(b)(3)(F), cited above.

Additionally, the proposed ministerial changes to the Procedures, which update the Guide as set forth above, would provide additional clarity to Participants and would ensure the accuracy of the Procedures by reflecting the present state of DTC's reorganization services and practices, thereby promoting the prompt and accurate clearance and settlement of securities, consistent with the requirements of the Act, in particular Section 17A(b)(3)(F), cited above.

(B) Clearing Agency's Statement on Burden on Competition

DTC does not believe that the proposed rule change would have any impact, or impose any burden, on competition because it would remove a function that is infrequently used for its intended purpose, and would establish a new function, available to all Participants, without the addition of a new fee.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not been solicited or received. DTC will notify the Commission of any written comments received by DTC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve or disapprove such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

August 9, 2016.

On June 15, 2016, Chicago Board Options Exchange, Incorporated ("Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade options that overlie the FTSE Developed Europe Index and the FTSE Emerging Index, raise the comprehensive surveillance agreement percentage applicable to options that overlie the MSCI EAFE Index and the MSCI Emerging Markets Index ("EAFE options" and "EM options"), and amend the maintenance listing criteria applicable to EAFE options, EM options, FTSE 100 Index options, and FTSE China 50 Index options. The proposed rule change was published for comment in the **Federal Register** on July 1, 2016.³ The Commission has received no comment letters on the proposal.
