

of these trackage rights; and (2) GDLK provided the required notice to NSR employees and relevant national labor organizations at the time of the underlying lease transaction in 2009. GDLK has also filed a petition to partially revoke the class exemption at 49 CFR 1150.41 to allow the Board to retroactively authorize the assignment of trackage rights from NSR to GDLK. GDLK's waiver request and petition for partial revocation will be addressed in a separate decision. The Board will establish in the decision on the waiver request the earliest date this transaction may be consummated.

If the notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than September 16, 2016 (at least seven days before the exemption becomes effective.)

An original and ten copies of all pleadings, referring to Docket No. FD 35187 (Sub-No. 1), must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on applicant's representative, Robert A. Wimbish, Fletcher & Sippell LLC, 29 North Wacker Drive, Suite 290, Chicago, IL 60606.

According to GDLK, this action is categorically excluded from environmental review under 49 CFR 1105.6(c).

Decided: September 2, 2016.

[Docket No. FD 36060]

Mississippi Southern Railroad, L.L.C.—Lease and Operation Exemption—The Kansas City Southern Railway Company

Mississippi Southern Railroad, L.L.C. (MSR), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to continue to lease from The Kansas City Southern Railway Company (KCS), and to operate,

approximately 26.5 miles of rail line between milepost 133.0 near Bay Springs, Miss., and milepost 159.5 near Newton, Miss.

MSR and KCS originally entered into a lease agreement in 2005.¹ According to MSR, they have recently entered into an amended and restated lease agreement (Amended Agreement) which, among other things, extends the term of the lease to August 1, 2026. MSR will continue to be the operator of the 26.5-mile line.

MSR certifies that the projected annual revenues as a result of this transaction will not result in MSR's becoming a Class I or Class II rail carrier and that its projected annual revenue will not exceed \$5 million. MSR states that the Amended Agreement regarding the subject line does not contain any provision that prohibits MSR from interchanging traffic with a third party or limit MSR's ability to interchange with a third party.

The proposed transaction may be consummated on or after September 24, 2016, the effective date of the exemption (30 days after the verified notice of exemption was filed). If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed by September 16, 2016 (at least seven days prior to the date the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36060 must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on applicant's representative, Karl Morell, Karl Morell & Associates, 655 Fifteenth Street NW., Suite 225, Washington, DC 20005.

According to MSR, this action is categorically excluded from environmental review under 49 CFR 1105.6(c).

Notice of Intent To Rule on Disposal of Aeronautical Property at Bowman Field Airport Louisville, KY (LOU)

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration is requesting public comment on a request by the Louisville Regional Airport Authority (LRAA), to release 0.11 acres of land at Bowman Field Airport from federal obligations. This release will be retroactive for a project that was necessary for the construction of Interstate Highway 64. The request consists of the following:

A 0.11 acre of parcel of airport property was condemned by the Commonwealth of Kentucky in 1959. The court awarded this property to the State of Kentucky via quitclaim deed. This property is bounded by Beargrass Creek to the north, Cannons Lane to the east and Old Cannons Lane to the West. The current use of this property is as a small segment of Interstate Highway 64. This property was part of the 291.95 acre parcel conveyed from the United States of America with obligations to the

Louisville And Jefferson County Air Board (now The Louisville Regional Airport Authority) on February 2, 1948. This request will release this property from federal obligations. This action is taken under the provisions of 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before October 11, 2016.

ADDRESSES: Comments on this notice may be mailed or delivered in triplicate to the FAA at the following address: Memphis Airports District Office, Attn: Jamal Stovall, Community Planner, 2600 Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Mr. Charles T. Miller, Executive Director, Louisville Regional Airport Authority at the following address: 700 Administration Drive, Louisville, KY 40209.

FOR FURTHER INFORMATION CONTACT: Mr. Jamal Stovall, Community Planner, Federal Aviation Administration, Memphis Airports District Office, 2600, Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118-2482. The application may be reviewed in person at this same location, by appointment.

SUPPLEMENTARY INFORMATION: The FAA proposes to rule and invites public comment on the request to release property for disposal at Bowman Field Airport, 2815 Taylorsville Rd. Louisville, KY 40205, under the provisions of 49 U.S.C. 47107(h)(2). The FAA determined that the request to release property at Bowman Field Airport (LOU) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this notice.

The following is a brief overview of the request:

The Louisville Regional Airport Authority is releasing approximately 0.11 acres of airport property. This parcel was conveyed from the United States of America to the Louisville And Jefferson County Air Board (now The Louisville Regional Airport Authority) in 1948 with obligations. This release will be retroactive for a project that was necessary for the construction of Interstate Highway 64. This request will release this property from federal obligations.

Any person may inspect the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**.

In addition, any person may, upon request, inspect the request, notice and other documents germane to the request in person at the Louisville Regional Airport Authority.
