We will evaluate the ITP application, including the HCP, and any comments we receive to determine whether the application meets the requirements of section 10(a)(1)(B) of the Act. We will also evaluate whether a section 10(a)(1)(B) ITP should be issued, as well as conduct an intra-Service consultation pursuant to section 7 of the Act. We will use the results of this consultation and the above findings in our final analysis to determine whether to issue the ITP. If we determine that the requirements are met, we will issue the ITP for incidental take of the covered species.

Acting Assistant Secretary—Indian Affairs.

SECTION 1.—INTRODUCTION

1.1 Authority

This ordinance is enacted pursuant to the Act of August 15, 1953, 67 Stat. 586, codified at 18 U.S.C. 1161, by the authority of the Cowlitz Tribal Council enumerated in Article VIII of the Constitution of the Cowlitz Tribe of Indians to enact legislation and regulate activities of businesses operating on the Tribe's lands, and in conformity with applicable Washington State laws and all attendant agreements with the State of Washington.

1.2 Purpose

The purpose of this ordinance is to regulate and control the possession, sale, manufacture, and distribution of liquor within the Tribe's reservation, trust lands, and all Indian Country as defined in 18 U.S.C. 1151, in order to permit alcohol sales by tribally owned and operated enterprises and lessees and at other tribally approved special events. The enactment of this ordinance will increase the ability of the Cowlitz Tribe to control the manufacture, distribution, sale, and possession of liquor on the Tribe's lands and will provide an important source of revenue for the continued operation and strengthening of the Cowlitz tribal government, the delivery of tribal governmental services, and the economic viability of tribal enterprises.

1.3 Short Title

This shall be known as the "Cowlitz Tribal Liquor Ordinance" and shall be codified as Ordinance No. 16-02 of the Cowlitz Tribal Code.

1.4 Jurisdiction

This ordinance shall apply to all lands now or in the future under the governmental authority of the Tribe, including the Tribe's reservation, trust lands, and Indian Country as defined under 18 U.S.C. 1151.

1.5 Application of 18 U.S.C. 1161

By adopting this Ordinance, the Tribe hereby regulates the sale, manufacturing, distribution, possession, and consumption of liquor while ensuring that such activity conforms with applicable laws of the State of Washington as required by 18 U.S.C. 1161 and the United States.

1.6 Declaration of Public Policy; Findings

The Tribal Council enacts this Ordinance, based on the following findings:

(a) The manufacture, distribution, possession, sale, and consumption of liquor in the Tribe's Indian Country are matters of special concern to the Tribe.

(b) Federal law currently prohibits the introduction of liquor into or manufacture of spirits in Indian Country, except as provided in 18 U.S.C. 1161, except in accordance with State law and the duly enacted law of the Tribe.

(c) The Cowlitz Tribe recognizes that a need exists for strict tribal regulation and control over liquor transactions within its lands because of the many potential problems associated with the unregulated or inadequately regulated manufacture, distribution, sale, possession, and consumption of liquor. The Tribal Council finds that tribal control and regulation of liquor is necessary to achieve maximum economic benefit to the Tribe, to protect the health and welfare of tribal members, and to address specific concerns relating to alcohol use on tribal lands.

(d) It is in the best interests of the Tribe to enact an ordinance governing liquor transactions on its lands.
