Certain Softwood Lumber Products From Canada: Preliminary Affirmative Countervailing Duty Determination, and Alignment of Final Determination With Final Antidumping Duty Determination

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain softwood lumber products (softwood lumber) from Canada. The period of investigation is January 1, 2015, through December 31, 2015.

DATES: Effective April 28, 2017.

FOR FURTHER INFORMATION CONTACT:

Lana Nigro (Tolko), Toby Vandall (Canfor), Justin Neuman (JDIL), Patricia Tran (West Fraser), and Kristen Johnson (Resolute), AD/CVD Operations, Offices I and III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1779, (202) 482-1664, (202) 482-0486, (202) 482-1503, and (202) 482-4793, respectively.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). The Department published the notice of initiation of this investigation on December 22, 2017.¹ On February 2, 2017, the Department postponed the

preliminary determination of this investigation and the revised deadline is now April 24, 2017.²

On April 13, 2017, the Department preliminarily determined that critical circumstances exist with respect to certain companies.³ For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.⁴ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Investigation

The product covered by this investigation is softwood lumber from Canada. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to the Department's regulations,⁵ the *Initiation Notice* set aside a period of time for parties to raise issues regarding product coverage, (*i.e.*, scope).⁶ Certain interested parties commented on the scope of the investigation as it appeared in the *Initiation Notice* as well as on additional language proposed by the Department. On March 29, 2017, a letter presenting a proposal for company exclusions was filed on behalf of the Government of Canada (GOC), Canadian

provincial and territorial governments, as well as the Canadian industry associations.⁷ The Department finds that it lacks the authority to conduct the requested company exclusion process in the context of this countervailing duty investigation (CVD) on softwood lumber from Canada.⁸

With respect to other proposed scope exclusions, including the request to exclude merchandise from certain provinces, the Department is inviting comments on those proposed exclusions and will incorporate the decisions into the final CVD and AD determinations after considering any relevant comments submitted in case and rebuttal briefs. Comments on any proposed scope exclusions are due no later than seven days of publication of this notice in the **Federal Register**. Please note that the Department will not accept any new factual information in these submissions. The Department intends to set the same deadline on the record of the companion AD investigation. For further information regarding proposed scope exclusions, see the Preliminary Decision Memorandum accompanying this notice.

Methodology

The Department is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, the Department preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁹

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), the Department is aligning the final CVD determination in this investigation with the final determination in the companion AD
