Certain Steel Threaded Rod From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Rescission of Antidumping Duty Administrative Review, in Part; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) preliminarily determines that mandatory respondent Zhejiang New Oriental Fastener Co., Ltd. (New Oriental), does not qualify for a separate rate and is, therefore, considered a part of the People's Republic of China (PRC)-wide entity for its exports of subject merchandise exported to the United States during the period of review (POR), April 1, 2015, through March 31, 2016. We also preliminarily find that mandatory respondent IFI & Morgan Ltd. and RMB Fasteners Ltd. (RMB/IFI Group), did not have any reviewable transactions during the POR. If these preliminary results are adopted in the final results, the Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties (AD) on all appropriate entries of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Effective May 5, 2017.

SUPPLEMENTARY INFORMATION:

Background

On June 6, 2016, the Department published in the **Federal Register** the notice of initiation of an administrative review of the AD order on certain steel threaded rod (STR) from the PRC for the period of review April 1, 2015, through March 31, 2016. The Department initiated a review with respect to 117 companies.¹ Subsequently, on September 12, 2016, the Department published in the **Federal Register** a correction to the *Initiation Notice*, adding an additional three companies.² The Department selected two mandatory respondents, New Oriental and RMB/IFI Group, based on highest volume of exports.³ Between September 6, 2016, and April 5, 2017, the Department requested and received information from the RMB/IFI Group pertaining to RMB/IFI Group's claim of no shipments, and also received comments from Petitioner⁴ about this issue. The other mandatory respondent, New Oriental, did not respond to the Department's AD questionnaire. Tianjin Port Free Trade Zone Tianjin Star International Trade Co., Ltd. (Tianjin Star), submitted a separate rate application, and requested to be a mandatory or voluntary respondent, but it never responded to the Department's AD questionnaire. On September 21, 2016, the petitioner withdrew its request for review for 115 companies.⁵ However, the petitioner did not withdraw its request for review on New Oriental, RMB/IFI Group, Tianjin Star, Zhejiang Heiter Industries Co., Ltd. (Zhejiang Heiter Industries), and Zhejiang Heiter Mfg & Trade Co. Ltd. (Zhejiang Heiter Mfg).

Scope of the Order

The merchandise covered by the order includes steel threaded rod. The subject merchandise is currently classifiable under subheading 7318.15.5051, 7318.15.5056, 7318.15.5090, and 7318.15.2095 of the United States

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 81 FR 36272 (June 6, 2016) (*Initiation Notice*). The *Initiation Notice* inaccurately stated the period of review, which was corrected in a notice published on July 7, 2016. Harmonized Tariff Schedule (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise is dispositive.⁶

Rescission of Review, In Part

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, "in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review." Petitioner timely withdrew its review requests with respect to 115 companies. Because we received no other requests for review of these 115 companies,⁷ we are rescinding the administrative review with respect to all companies except New Oriental, RMB/IFI Group, Tianjin Star, Zhejiang Heiter Industries and Zhejiang Heiter Mfg, in accordance with 19 CFR 351.213(d)(1).

No Shipments

On July 5, 2016, RMB/IFI Group filed a no-shipment certification indicating that it did not export subject merchandise to the United States during the POR. During the course of this review, the Department examined this no shipments claim and provides its analysis in the Preliminary Decision Memorandum.

Based on the record evidence, we preliminarily determine that RMB/IFI Group did not have any reviewable transactions during the POR. In addition, we find that it is appropriate not to rescind the review, in part, in this circumstance, and to complete the review with respect to the above-named company, issuing appropriate instructions to CBP based on the final results of the review.⁸ Should evidence contrary to RMB/IFI's no-shipments claims arise, we will address the issue in accordance with our governing statute and regulations.

Methodology

The Department is conducting this review in accordance with sections 751(a)(1)(B) and 751(a)(2)(A) of the Tariff Act of 1930, as amended (the Act).

⁶ For a full description of the scope of the *Order*, see Memorandum from Gary Taverman, Associate Deputy Assistant Secretary, AD/CVD Operations, to Ronald K. Lorentzen, Acting Assistant Secretary for Enforcement and Compliance, entitled, "Certain Steel Threaded Rod from the People's Republic of China: Decision Memorandum for the Preliminary Results of the 2015–2016 Antidumping Duty Administrative Review" (Preliminary Decision Memorandum), dated concurrently with, and hereby adopted by, this notice.

⁷ See Appendix II for the list of companies.

⁸ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65694–65695 (October 24, 2011).

Because New Oriental did not respond to our AD questionnaire, including Section A, which requests its separate rate information, we preliminarily find that New Oriental has not demonstrated its eligibility for a separate rate, and accordingly, we are preliminarily treating New Oriental as part of the PRC-wide entity. In addition, because neither Zhejiang Heiter Industries nor Zhejiang Heiter Mfg submitted a separate rate application, we are also preliminarily treating both companies as part of the PRC-wide entity. We also preliminarily determine that Tianjin Star is eligible for a separate rate.

The statute and the Department's regulations do not address the establishment of a rate to be applied to respondents not selected for individual examination when the Department limits its examination in an administrative review pursuant to section 777A(c)(2)(B) of the Act. Generally, the Department looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for respondents which we did not individually examine in an administrative review. Section 735(c)(5)(A) of the Act articulates a

preference that we not calculate an all-others rate using rates which are zero, *de minimis* or based entirely on facts available. When the weighted-average dumping margins established for all individually investigated respondents are zero, *de minimis*, or based entirely on facts available, section 735(c)(5)(B) of the Act permits the Department to "use any reasonable method to establish the estimated all-others rate for exporters and producers not individually investigated, including averaging the estimated weighted average dumping margins determined for the exporters and producers individually investigated." Because New Oriental is part of the PRC-wide entity, for which no review was requested, and RMB/IFI Group did not have any reviewable transactions during the POR, there are no calculated margins that are not zero, *de minimis*, or based entirely on facts available to consider in establishing a margin for Tianjin Star. In the absence of any calculated rates in this segment, to determine a non-selected rate for Tianjin Star in this review, we have reached back to the calculated above-*de minimis* rate from the immediately preceding administrative review. For a full description of the methodology underlying our preliminary conclusions,

see the Preliminary Decision Memorandum.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of Review

The Department preliminarily determines that the following weighted-average dumping margins exist for the period April 1, 2015, through March 31, 2016:

Exporter/producer	Weighted-average margins
Tianjin Port Free Trade Zone Tianjin Star International Trade Co., Ltd	5.40
PRC-Wide Entity ⁹	206.00

⁹ The PRC-wide entity includes mandatory respondent New Oriental Fastener Co., Ltd., as well as Zhejiang Heiter Industries and Zhejiang Heiter Mfg. The rate for the PRC-Wide Entity was originally set in the original investigation, see *Certain Steel Threaded Rod from the People's Republic of China: Final Determination of Sales at Less than Fair Value*, 74 FR 8907 (February 27, 2009). This rate has been used in each subsequent administrative review in which there was party being considered as part of the PRC-Wide Entity.

Disclosure

Normally, the Department discloses to interested parties the calculations performed in connection with its preliminary results within five days of its public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, because the Department is not calculating a weighted-average dumping margin for either of the mandatory respondents selected for individual examination, there are no calculations to disclose.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of the preliminary determination, unless the

Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.¹⁰ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests

¹⁰ See 19 CFR 351.309; see also 19 CFR 351.303 (for general filing requirements).

should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC, 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

The Department intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.¹¹ The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

For any individually examined respondent whose weighted average dumping margin is above *de minimis* (i.e., 0.50 percent) in the final results of this review, the Department will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of sales, in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific *ad valorem* rate is greater than *de minimis*, the Department will instruct CBP to collect the appropriate duties at the time of liquidation.¹² Where either a respondent's weighted average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific *ad valorem* is zero or *de minimis*, the Department will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹³

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-Wide entity (i.e., 206 percent); and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These

deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This preliminary determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 1, 2017.

Acting Assistant Secretary for Enforcement and Compliance.

Drawn Stainless Steel Sinks From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2015–2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on drawn stainless steel sinks (drawn sinks) from the People's Republic of China (PRC).

The period of review (POR) is April 1, 2015, through March 31, 2016. The review covers two mandatory respondents, Guangdong Dongyuan Kitchenware Industrial Co., Ltd. (Dongyuan) and Guangdong Yingao Kitchen Utensils Co. Ltd (Yingao). We preliminarily determine that sales of subject merchandise by both respondents have been made at prices below normal value (NV). We also preliminarily grant separate rates to ten companies, which demonstrated eligibility for separate rate status, but were not selected for individual examination. Finally, we preliminarily find that New Shichu Import and Export Company Limited (New Sichu) made no shipments of subject merchandise during the POR. We invite interested parties to comment on these preliminary results.

DATES: Effective May 5, 2017.

FOR FURTHER INFORMATION CONTACT:

Terre Keaton Stefanova or Rebecca Janz, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1280 and (202) 482-2972, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The products covered by the order include drawn stainless steel sinks. Imports of subject merchandise are currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7324.10.0000 and 7324.10.0010. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.¹

Methodology

The Department is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). For the mandatory respondents Dongyuan and Yingao, export price and constructed export price were calculated in accordance with section 772 of the Act. Because the PRC is a non-market economy (NME) within the meaning of section 771(18) of the Act, NV was calculated in accordance with section 773(c) of the Act.

¹ For a complete description of the Scope of the Order, see Memorandum, "Decision Memorandum for Preliminary Results of the Antidumping Duty Administrative Review: Drawn Stainless Steel Sinks from the People's Republic of China," issued concurrently with and hereby adopted by this notice (Preliminary Decision Memorandum).

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content. A list of topics included in the Preliminary Decision Memorandum is provided as an appendix to this notice.

Separate Rates

We preliminarily determine that information placed on the record by the mandatory respondents, as well as by the following ten companies which were not selected for individual examination, demonstrated eligibility for separate rate status: Feidong Import and Export Co., Ltd.; Ningbo Afa Kitchen and Bath Co., Ltd.; Xinhe Stainless Steel Products Co., Ltd.; KaiPing Dawn Plumbing Products, Inc.; Jiangmen Hongmao Trading Co., Ltd.; Jiangmen New Star Hi-Tech Enterprise Ltd.; Foshan Zhaoshun Trade Co., Ltd.; Zhuhai KOHLER Kitchen & Bathroom Products Co., Ltd.; B&R Industries Limited; and Zhongshan Superte Kitchenware Co., Ltd.

Preliminary Determination of No Shipments

On July 5, 2016, New Shichu submitted a timely-filed certification that they had no exports, sales, or entries of subject merchandise during the POR.² Additionally, our inquiry to CBP did not identify any POR entries of New Shichu's subject merchandise. Based on the foregoing, the Department preliminarily determines that New Shichu did not have any reviewable transactions during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum.

Consistent with our practice in NME cases, the Department is not rescinding this administrative review for New Shichu, but intends to complete the
