

Act (the Act), 29 U.S.C. 667. The California State Plan received initial federal OSHA plan approval on May 1, 1973 (38 FR 10719) and the Division of Occupational Safety and Health of the California Department of Industrial Relations is designated as the state agency responsible for administering the State Plan. On October 3, 1989, an Operational Status Agreement was entered into between OSHA and Cal/OSHA whereby concurrent federal enforcement authority was suspended with regard to federal occupational safety and health standards in issues covered by the State Plan. Federal OSHA retained its authority over occupational safety and health with regard to federal government employers and employees, and employees of the U.S. Postal Service (effective June 9, 2000). OSHA also retained its authority over private-sector maritime employment on the navigable waters of the United States; private-sector contractors on federal installations; whistleblower complaints under Section 11(c) of the Act; emergency temporary standards; and employers manufacturing explosives for the U.S. Department of Defense. Notice of this OSA was published in the **Federal Register** on July 12, 1990 (55 FR 28613), and there were subsequent minor amendments to the OSA. That 1990 **Federal Register** Notice contained a full history of the California State Plan.

Notice of New Operational Status Agreement

OSHA and Cal/OSHA signed a new OSA on April 30, 2014, which replaced the prior 1989 OSA. This new OSA clarified that concurrent federal enforcement authority would not be initiated with regard to any federal occupational safety and health standards in issues covered by the State Plan. Under the 2014 OSA, Federal OSHA retained coverage over all Federal employees and sites (including the United States Postal Service (USPS), USPS contract employees, and contractor-operated facilities engaged in USPS mail operations). The OSA also clarified that federal OSHA has enforcement authority over private-sector employers within the borders of all military installations and within U.S. National Parks, National Monuments, National Memorials, and National Recreational Areas in California. Further, OSHA gained enforcement authority over private-sector and tribal employers within U.S. Government-recognized Native American reservations and trust lands. Under the 2014 OSA, Federal OSHA retained authority over maritime employment

(except marine construction on bridges and on shore) on the navigable waters of the United States and over whistleblower complaints under Section 11(c) of the Act. The 2014 OSA also did not contain the language from the 1989 OSA about specific elements of the Cal/OSHA program that had achieved operational status.

Federal OSHA and Cal/OSHA will exercise their respective enforcement authority according to the terms of the 2014 OSA between OSHA and Cal/OSHA. All terms of the 2014 OSA remain in effect. Additional information about this OSA is available at <https://www.osha.gov/dcsp/osp/stateprogs/california.html>.

Authority and Signature

Dorothy Dougherty, Assistant Secretary of Labor for Occupational Safety and Health, U.S. Department of Labor, authorized the preparation of this notice. OSHA is issuing this notice under the authority specified by section 18 of the Occupational Safety and Health Act of 1970 (29 U.S.C. 667), Secretary of Labor's Order No. 1–2012 (76 FR 3912), and 29 CFR part 1902 and 1953

Signed in Washington, DC, on May 25, 2017.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: (17–031)]

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to NASA Paperwork Reduction Act Clearance Officer, Code JF000, National

Aeronautics and Space Administration, Washington, DC 20546–0001 or Frances.C.Teel@nasa.gov.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Ms. Frances Teel, NASA Clearance Officer, NASA Headquarters, 300 E Street SW., JF000, Washington, DC 20546, or Frances.C.Teel@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

NASA's Ames Research Center, Human Systems Integration Division manages the NASA Aviation Safety Reporting System (ASRS) under an Interagency Agreement with the Federal Aviation Administration (FAA).

The Aviation Safety Reporting System (ASRS) is an open, voluntary reporting system for any person in National Airspace System to report safety incidents, events, or situations. Respondents include but are not limited to commercial and general aviation pilots, air traffic controllers, flight attendants, maintenance technicians, dispatchers, and other members of the public. The ASRS database is a public repository which serves the FAA, NASA, and other organizations worldwide which are engaged in research and the promotion of safe flight. ASRS data are used to (1) Identify deficiencies and discrepancies in the National Aviation System (NAS) so that these can be remedied by appropriate authorities, (2) Support policy formulation and planning for, and improvements to, the NAS, and, (3) Strengthen the foundation of aviation human factors safety research. Respondents are not reimbursed for associated cost to provide the information. Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

II. Method of Collection

NASA collects this information electronically and that is the preferred manner, however information may also be collected via mail or fax.

III. Data

Title: NASA Aviation Safety Reporting System.

OMB Number: 2700–XXXX.

Type of Review: Existing Information Collection in use without OMB Approval.

Affected Public: Individuals.

Estimated Number of Respondents: 92,228.

Estimated Time per Response: 30 minutes.

Estimated Total Annual Burden Hours: 46,114 hours.

Estimated Total Annual Cost: \$3.0M.

IV. Request for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collection has practical utility; (2) the accuracy of NSA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to minimize the burden of the collection of information on respondents. Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

Frances Teel,
NASA PRA Clearance Officer.

NATIONAL FOUNDATION ON THE ARTS AND THE HUMANITIES

National Endowment for the Arts; Proposed Collection; Comment Request

AGENCY: National Endowment for the Arts.

ACTION: Notice.

SUMMARY: The National Endowment for the Arts (NEA), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the NEA is soliciting comments concerning the proposed information collection on arts participation in the U.S.: *Clearance Request for NEA 2018-2019 Annual Arts Basic Survey*. Copies of this ICR, with applicable supporting documentation, may be obtained by visiting www.Reginfo.gov.

DATES: Comments should be sent by July 3, 2017.

ADDRESSES: You may send comments concerning this Notice to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the National Endowment for the Arts, Office of Management and Budget, Room 10235, Washington, DC 20503, 202/395-7316.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Agency: National Endowment for the Arts.

Title: 2018-2019 Annual Arts Basic Survey.

OMB Number: New.

Frequency: Annually, in years the Survey of Public Participation in the Arts is not conducted.

Affected Public: American adults.

Estimated Number of Respondents: 36,000.

Estimated time per respondent: 4.0 minutes.

Total burden hours: 2,000 hours.

Total annualized capital/startup costs: 0.

Total annual costs (operating/maintaining systems or purchasing services): 0.

Description: This request is for clearance of the 2018 and 2019 Annual Arts Basic Surveys (AABS). These surveys will be conducted by the U.S. Census Bureau as a supplement to the Bureau of Labor Statistic's Current Population Survey. The AABS will be conducted in February 2018 and February 2019 and are expected to be conducted annually thereafter in years that the National Endowment for the Arts' (NEA) Survey of Public Participation in the Arts (SPPA) is not conducted. One of the strengths of the AABS surveys is that they will both

complement and supplement the information collected in the SPPA. The SPPA is the field's premiere repeated cross-sectional survey of individual attendance and involvement in arts and cultural activity, and is conducted approximately every five years. The AABS questionnaires are much shorter than the SPPA, consisting of 12 to 14 questions that will be used to track arts participation over time. As with the SPPA, the AABS data will be circulated to interested researchers and will be the basis for a range of NEA reports and independent research publications. Reports on these data will be made publicly available on the NEA's Web site. The AABS will provide annual primary knowledge on the extent and nature of participation in the arts in the United States. These data will also be used by the NEA as a contextual measure for one of the strategic goals identified in its FY 2014-FY 2018 strategic plan.

Dated: May 30, 2017.

Kathy Daum,
Director, Administrative Services, National Endowment for the Arts.
