

in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. The OCC is requesting that OMB extend its approval of the following information collection:

Title: Assessment of Fees.

OMB Control No.: 1557–0223.

Affected Public: Business or other for-profit.

Type of Review: Regular review.

Abstract: The OCC is authorized by the National Bank Act (for national banks) and the Home Owners Loan Act (for Federal savings associations) to collect assessments, fees, and other charges as necessary or appropriate to carry out the responsibilities of the OCC. 12 U.S.C. 482 and 1467(a), respectively; 12 U.S.C. 16 (for national banks and Federal savings associations). OCC regulations require an independent credit card bank or independent credit card Federal savings association (collectively, independent credit card institutions) to pay an additional assessment based on receivables attributable to accounts owned by the national bank or Federal savings association. Independent credit card institutions are national banks or Federal savings associations that primarily engage in credit card operations and are not affiliated with a full service national bank or Federal savings association. Under 12 CFR 8.2(c)(2), the OCC also has the authority to assess an independent credit card institution that is affiliated with a full-service national bank or full-service Federal savings association if the OCC concludes that the affiliation is intended to evade 12 CFR part 8.

The OCC requires independent credit card institutions to provide the OCC with “receivables attributable” data. “Receivables attributable” refers to the total amount of outstanding balances due on credit card accounts owned by an independent credit card institution (the receivables attributable to those accounts) on the last day of an assessment period, minus receivables retained on the independent credit card institution’s balance sheet as of that day. The OCC will use the information to verify the accuracy of each independent credit card institution’s assessment computation and to adjust the assessment rate for independent credit card institutions over time.

Estimated Number of Respondents: 12.

Estimated Total Annual Burden: 24 hours.
