

and will use electronic document receiving systems that meet the applicable subpart D requirements.

On February 22, 2016, the Wisconsin Department of Natural Resources (WDNR) submitted a revised application titled Electronic Receiving System for revisions/modifications to its EPA-approved programs under title 40 CFR to allow new electronic reporting. EPA reviewed WDNR's request to revise/modify its EPA-authorized programs and, based on this review, EPA determined that the revised application met the standards for approval of authorized program revisions/modifications set out in 40 CFR part 3, subpart D. In accordance with 40 CFR 3.1000(d), this notice of EPA's decision to approve Wisconsin's request to revise/modify its following EPA-authorized programs to allow electronic reporting under 40 CFR parts 50–52, 61–63, 65, 70, 122, 125, 141, 144, 146, 240–270, 272–280, 403–471, 501, and 503 is being published in the **Federal Register**:

- Part 52—Approval and Promulgation of Implementation Plans;
- Part 62—Approval and Promulgation of State Plans for Designated Facilities and Pollutants;
- Part 63—National Emission Standards for Hazardous Air Pollutants for Source Categories;
- Part 70—State Operating Permit Programs;
- Part 123—EPA Administered Permit Programs: The National Pollutant Discharge Elimination System;
- Part 142—National Primary Drinking Water Regulations Implementation;
- Part 145—State Underground Injection Control Programs;
- Part 239—Requirements for State Permit Program Determination of Adequacy;
- Part 271—Requirements for Authorization of State Hazardous: Waste Program;
- Part 403—General Pretreatment Regulations for Existing and New Sources of Pollution; and
- Part 501—State Sludge Management Program Regulations.

WDNR was notified of EPA's determination to approve its application with respect to the authorized programs listed above.

Also, in today's notice, EPA is informing interested persons that they may request a public hearing on EPA's action to approve the State of Wisconsin's request to revise its authorized public water system program under 40 CFR part 142, in accordance with 40 CFR 3.1000(f). Requests for a hearing must be submitted to EPA within 30 days of publication of today's **Federal Register** notice. Such requests should include the following information: (1) The name, address and telephone number of the individual, organization or other entity requesting a hearing;

(2) A brief statement of the requesting person's interest in EPA's determination, a brief explanation as to why EPA should hold a hearing, and any other information that the requesting person wants EPA to consider when determining whether to grant the request;

(3) The signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

In the event a hearing is requested and granted, EPA will provide notice of the hearing in the **Federal Register** not less than 15 days prior to the scheduled hearing date. Frivolous or insubstantial requests for hearing may be denied by EPA. Following such a public hearing, EPA will review the record of the hearing and issue an order either affirming today's determination or rescinding such determination. If no timely request for a hearing is received and granted, EPA's approval of the State of Wisconsin's request to revise its part 142—National Primary Drinking Water Regulations Implementation program to allow electronic reporting will become effective 30 days after today's notice is published, pursuant to CROMERR section 3.1000(f)(4).

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility;

the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before October 2, 2017. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.Ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele at (202) 418–2991.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–3520), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

Title: Procedures for Commission Review of State Opt-Out Request from the FirstNet Radio Access Network.

Form Number: N/A.

Type of Review: New collection.

Respondents: State, Local or Tribal Government.

Number of Respondents and Responses: 55 respondents: 110 responses.

Estimated Time per Response: 0.25 hours for the initial notification.

Frequency of Response: One-time reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for requiring licensees to submit this information enters into the written agreements is contained in the Middle Class Tax Relief and Job Creation Act of 2012, Public Law 112–96, 126 Stat. 156 §§ 6001–6303, 6413 (codified at 47 U.S.C. 1401–1443, 1457).

Total Annual Burden: 26,414 hours.

Total Annual Cost: No cost.

Privacy Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: Alternative state plans are very likely to contain proprietary information as well as information whose disclosure could compromise network security. Parties may therefore seek confidential treatment of any filing under our Part 0 rules, including the use of a protective order process to allow other those granted party status to the restricted proceeding access to the information on a confidential basis.

Needs and Uses: This collection will be submitted as a new collection after this 60-day comment period to the Office of Management and Budget (OMB) in order to obtain the full three-year clearance. The purpose of requiring this collection is to comply with Middle Class Tax Relief and Job Creation Act of 2012. The Middle Class Tax Relief and Job Creation Act of 2012 provides that “the Governor shall choose whether to participate in the deployment of the nationwide, interoperable broadband network as proposed by [FirstNet,] or conduct its own deployment of a radio access network in such State.” If a Governor chooses not to participate in the NPSBN, Section 6302(e)(3)(A) of the Act requires the Governor to “notify [FirstNet], the NTIA, and the Commission of such decision.” The Act also states that an opt-out state “shall submit” to the Commission an “alternative plan” for “the construction, maintenance, operation, and improvements” of the RAN within the state. Section 3(C)(ii) of the Act mandates that “upon submission of this plan, the Commission shall approve or disapprove of the plan.”

We require that either the Governor or the Governor’s his duly authorized designee may provide notification of the

Governor’s decision. The opt-out notification to the Commission must also include a certification that the state is providing simultaneous notice of its opt-out decision to both to NTIA and FirstNet. To facilitate the electronic filing of opt-out notifications, we will establish the email address *opt-out@fcc.gov* as the address for this purpose.

Each opt-out state will have 60 days from the completion of its Request For Proposal (240 days from the date of its opt-out notification to the Commission) to file an alternative state plan via the secure email address *opt-out@fcc.gov* or via certified mail to the Secretary’s office.
