

Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting 7 hours per day on two consecutive days that prohibits entry into a portion of Roanoke River, Plymouth, NC. It is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of Commandant Instruction M16475.1D. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05–0886 to read as follows:

§ 165.T05–0886 Safety Zone, Roanoke River Plymouth, NC.

(a) *Location.* The following area is a safety zone: All navigable from approximate positions: Latitude 35°52′25″ N., longitude 076°44′33″ W., then northwest to latitude 35°52′29″ N., longitude 076°44′37″ W., then southwest along the shoreline to latitude 35°52′00″ N., longitude 076°45′31″ W., then south to latitude 35°51′56″ N., longitude 076°45′30″ W. (WGS 84), then northeast along the shoreline to the point of origin, on the Roanoke River, Plymouth, North Carolina.

(b) *Definitions.* As used in this section, “designated representative” means a Coast Guard Patrol Commander, that includes a Coast Guard commissioned, warrant or petty officer designated by the Captain of the Port North Carolina (COTP) for the enforcement of the safety zone. “Captain of the Port” means the Commander, Coast Guard Sector North Carolina. “Participants” means persons and vessels involved in the high speed boat race.

(c) *Regulations.* (1) The general regulations governing safety zones in § 165.23 apply to the area described in paragraph (a) of this section.

(2) With the exception of participants, entry into or remaining in this safety zone is prohibited unless authorized by the COTP North Carolina or the COTP

North Carolina’s designated representative. All vessels within this safety zone when this section becomes effective must depart the zone immediately.

(3) To request permission to remain in, enter, or transit through the safety zone, contact the COTP North Carolina or the COTP North Carolina’s representative through the Coast Guard Sector North Carolina Command Duty Officer, Wilmington, North Carolina, at telephone number 910–343–3882 or on VHF–FM marine band radio channel 13 (165.65 MHz) or channel 16 (156.8 MHz).

(d) *Enforcement.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* This section will be enforced from 11 a.m. through 6 p.m. daily on October 7 and October 8, 2017.

Dated: September 27, 2017.

Bion B. Stewart,

Captain, U.S. Coast Guard, Captain of the Port, North Carolina.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2017–0577]

RIN 1625–AA11

Safety Zone, Blue Angels Air Show; St. Johns River, Jacksonville, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone on the waters of the St. Johns River in vicinity of Naval Air Station (NAS) Jacksonville, Florida during the Blue Angels Air Show. This rulemaking prohibits persons and vessels from being in the safety zone unless authorized by the Captain of the Port (COTP) Jacksonville or a designated representative.

DATES: This rule is effective from 8 a.m. on November 3, 2017 through 5 p.m. on November 5, 2017.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG–2017–0577 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Allan Storm, Sector Jacksonville, Chief, Waterways Management Division, U.S. Coast Guard; telephone (904) 714-7616, email Allan.H.Storm@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

On April 25, 2017, NAS Jacksonville submitted a marine event application to the Coast Guard for the Blue Angels Air Show that will take place from November 3, 2017 through November 5, 2017. The air show will consist of various flight demonstrations over the St. Johns River in vicinity of NAS Jacksonville. Over the years, there have been unfortunate instances of aircraft mishaps that involve crashing during performances at various air shows around the world. Occasionally, these incidents result in a wide area of scattered debris in the water that can damage property or cause significant injury or death to the public observing the air shows. The Captain of the Port (COTP) Jacksonville has determined that a safety zone is necessary to protect the general public from hazards associated with aerial flight demonstrations. In response, on August 1, 2017, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone, Blue Angels Air Show; St. Johns River, Jacksonville, FL (82 FR 35717). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this air show. During the comment period that ended August 31, 2017, we received no comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The COTP Jacksonville has determined that potential hazards associated with aerial flight demonstrations will be a safety concern for members of the public observing the event from the water. The purpose of the rule is to ensure the safety of vessels and persons on the navigable waters of the St. Johns River in vicinity of NAS Jacksonville, Florida.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published August 1, 2017. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone, from 8 a.m. to 5 p.m. on November 3, 2017 through November 5, 2017, on the waters of the St. Johns River in vicinity of NAS Jacksonville, Florida during the Blue Angels Air Show. The safety zone will encompass all waters within an area approximately three quarters of a mile parallel to the shoreline, and one mile out into the St. Johns River in Jacksonville, FL. The duration of the zone is intended to ensure the safety of the public and these navigable waters during the aerial flight demonstrations. No vessel or person is permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The Coast Guard will provide notice of the regulated area by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day of the safety zone. Vessel traffic would be able to safely transit around this safety zone which would impact a small designated area of the St. Johns River for nine hours on each of the three days the air show is occurring. Moreover, the Coast Guard would issue a Broadcast Notice to

Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone that would prohibit persons and vessels from transiting through a one square mile regulated area during a three day air show lasting nine hours daily. It is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. A Record of Environmental

Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6 and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. Add § 165.T07–0577 to read as follows:

§ 165.T07–0577 Safety Zone, Blue Angels Air Show; St. Johns River, Jacksonville, FL.

(a) *Regulated area.* The following area is a safety zone located on the St. Johns River in Jacksonville, FL. All waters of the St. Johns River encompassed within an imaginary line connecting the following points: Starting at Point 1 in position 30°13'41" N.; 081°39'45" W. thence due east to Point 2 in position 30°13'41" N.; 081°38'35" W. thence south to Point 3 in position 30°14'27" N.; 081°38'35" W. thence west to Point 4 in position 30°14'27" N.; 081°39'45" W. thence following the shoreline north back to the point of origin. These coordinates are based on North American Datum 1983.

(b) *Definition.* The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port Jacksonville in the enforcement of the regulated area.

(c) *Regulations.* (1) All persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the Captain of the

Port Jacksonville or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the Captain of the Port Jacksonville by telephone at (904) 714–7557, or a designated representative via VHF–FM radio on channel 16, to request authorization. If authorization is granted, all persons and vessels receiving such authorization must comply with the instructions of the COTP Jacksonville or a designated representative.

(3) The Coast Guard will provide notice of the regulated area through Broadcast Notice to Mariners via VHF–FM channel 16 or by on-scene designated representatives.

(d) *Enforcement period.* This rule will be enforced daily from 8 a.m. until 5 p.m. from November 3, 2017 through November 5, 2017.

Dated: September 28, 2017.

Todd C. Wiemers,

Captain, U.S. Coast Guard, Captain of the Port Jacksonville.

Significant New Use Rule on Certain Chemical Substances

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: EPA is finalizing a significant new use rule (SNUR) under section 5(a)(2) of the Toxic Substances Control Act (TSCA) for the chemical substance identified generically as bimodal mixture consisting of multi-walled carbon nanotubes and other classes of carbon nanotubes, which was the subject of premanufacture notice (PMN) P–11–482. This action requires persons who intend to manufacture (defined by statute to include import) or process the chemical substance for a use that is designated as a significant new use by this final rule to notify EPA at least 90 days before commencing that activity. The required notification initiates EPA’s evaluation of the intended use within the applicable review period. Manufacture and processing for the significant new use is unable to commence until EPA has conducted a
