Title: Affordable Care Act Internal Claims and Appeals and External Review Disclosures.

Abstract: Section 2719 of the Public Health Service Act, incorporated into Code section 9815 by section 1563(f) of the Patient Protection and Affordable Care Act, Public Law 111-148, requires group health plans and issuers of group health insurance coverage, in connection with internal appeals of claims denials, to provide claimants free of charge with any evidence relied upon in deciding the appeal that was not relied on in making the initial denial of the claim. This is a third party disclosure requirement. Individuals appealing a denial of a claim should be able to respond to any new evidence the plan or issuer relies on in the appeal, and this disclosure requirement is essential so that the claimant knows of the new evidence.
