

regarding the proposed information collection to the National Aeronautics and Space Administration, 300 E Street SW., Washington, DC. Attention: Lori Parker, NASA Clearance Officer.

**FOR FURTHER INFORMATION CONTACT:**

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Lori Parker, NASA Clearance Officer, NASA Headquarters, 300 E Street SW., JF0000, Washington, DC 20546, (202) 358-1351.

**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

NASA is proposing construction of a Low Boom Flight Demonstration (LBFD) experimental aircraft, aka X-plane.

This information collection will enable NASA to pre-test methods to collect information from individuals to determine community response to the new, quieter sonic booms, prior to the start of flight testing the X-plane. No public exposure to any form of sonic boom will occur during the pre-testing phase.

The pre-test will be conducted by telephone interview. NASA wants to evaluate telephone surveys to assess prompt public response associated with experiencing low amplitude sonic booms over multiple, geographically dispersed communities. Responses will be voluntary.

The new X-plane is designed to produce low amplitude sonic booms. Ultimately, flight testing of the X-plane is intended to (1) demonstrate and validate the technology necessary for civil supersonic flights that create low amplitude sonic booms, and (2) assess community response to the new, quieter, sonic booms.

**II. Method of Collection**

Telephone.

**III. Data**

*Title:* Pilot Testing of Telephone Interviewing Approaches to Assess Community Response to New, Quieter Boom Experiences.

**IV. Request for Comments**

Comments are invited on: (1) Whether the proposed collection of information

is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

**ACTION:** 30-Day notice of submission of information collection approval from

the Office of Management and Budget and request for comments.

**SUMMARY:** As part of a Federal Government-wide effort to streamline the process to seek feedback from the public on service delivery, IMLS has submitted a Generic Information Collection Request (Generic ICR): "Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery" to OMB for approval under the Paperwork Reduction Act (PRA).

**DATES:** Comments must be submitted by November 10, 2017.

**SUPPLEMENTARY INFORMATION:**

*Title:* Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery

*Abstract:* The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. By qualitative feedback, we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback

to contribute directly to the improvement of program management.

Feedback collected under this generic clearance will provide useful information, but it will not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance. Such data uses require more rigorous designs that address: The target population to which generalizations will be made, the sampling frame, the sample design (including stratification and clustering), the precision requirements or power calculations that justify the proposed sample size, the expected response rate, methods for assessing potential non-response bias, the protocols for data collection, and any testing procedures that were or will be undertaken prior to fielding the study. Depending on the degree of influence the results are likely to have, such collections may still be eligible for submission for other generic mechanisms that are designed to yield quantitative results.

The Agency received two comments in response to the 60-day notice published in the **Federal Register** of February 15, 2017 (82 FR 10807).

Below we provide the projected average estimates for the next three years:

*Current Actions:* Renew collection of information plan.

*Type of Review:* Renewal.

*OMB Number:* 0081.

*Agency Number:* 3137.

*Affected Public:* Individuals and Households, Businesses and Organizations, State, Local or Tribal Government.

*Average Expected Annual Number of activities:* 11.

*Annual responses:* 9854.

*Frequency of Response:* Once per request.

*Average minutes per response:* 51 minutes.

*Burden hours:* 1578 hours.

*Total Annual Costs:* \$43,984.71.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget control number.
