SUPPLEMENTARY INFORMATION:

I. Background

Section 19 of the Protecting our Infrastructure of Pipelines and Enhancing Safety Act of 2016 (Pub. L. 114-183) requires PHMSA to expand the definition of an Ecological resource USA (as defined in 49 CFR 195.6(b)) to include the Great Lakes, coastal beaches and marine coastal waters. All USAs are treated as high consequence areas (HCAs), which are subject to stricter safety and maintenance standards (such as 49 CFR 195.452). To address this mandate, PHMSA must define and map these areas. The focus of this one-day public meeting is to bring pipeline safety stakeholders together to discuss applicable definitions and available GIS data sources for Great Lakes, coastal beaches and marine coastal waters. Stakeholder feedback may inform future policy efforts impacting the definition of a Coastal Ecological USA.

II. Meeting Details and Agenda

The Coastal Ecological USA public meeting will include discussions from government and industry stakeholders on proposed definition, available GIS data sources, and how Coastal Ecological USA protect the public and environment through integrity management planning. The meeting will also include facilitated discussions with meeting participants and experts to understand additional perspectives on proposed definitions and recommended GIS data sources.

Issued in Washington, DC, on October 10, 2017, under authority delegated in 49 CFR 1.97.

Alan K. Mayberry,

Associate Administrator for Pipeline Safety.

DEPARTMENT OF THE TREASURY

Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 10(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th Street and Pennsylvania Avenue NW., Washington, DC, on October 31, 2017 at 9:30 a.m. of the following debt management advisory committee:

Treasury Borrowing Advisory Committee of The Securities Industry and Financial Markets Association.

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues and conduct a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, 10(d) and Public Law 103-202, § 202(c)(1)(B) (31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the

Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103-202, § 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

Treasury staff will provide a technical briefing to the press on the day before the Committee meeting, following the release of a statement of economic conditions and financing estimates. This briefing will give the press an opportunity to ask questions about financing projections. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Fred Pietrangeli, Director for Office of Debt Management (202) 622-1876.

Dated: October 5, 2017.

Fred Pietrangeli,

Director (for Office of Debt Management).

SUPPLEMENTARY INFORMATION: The VA published a Notice of intent and request for comments in the **Federal Register** on September 14, 2017, 82 FR 43288, that proposed issuance of a blanket waiver of the conflict of interest provisions of 38 U.S.C. 3683(a). This statute requires immediate dismissal from VA service of any officer or employee who has, while an officer or employee, owned any interest in, or received any wages, salary, dividends, profits, gratuities, or services from, any educational institution operated for profit in which an eligible person or veteran was using VA educational benefits. The document stated that the Secretary intended to waive the application of 38 U.S.C. 3683(a) for all VA employees who receive any wages, salary, dividends, profits, gratuities, or services from, or own any interest in, a for-profit educational institution in which an eligible person or veteran is pursuing a program of education using VA education benefits, as long as employees abided by the existing criminal conflict of interest laws and the Standards of Conduct for Employees of the Executive Branch, as the Secretary had determined that no detriment would result to the United States, veterans, or eligible persons from such activities.
