Abstract

The Source Directory of American Indian and Alaska Native owned and operated arts and crafts enterprises is a program of the Indian Arts and Crafts Board that promotes American Indian and Alaska Native arts and crafts. The Source Directory is a listing of American Indian and Alaska Native owned and operated arts and crafts businesses that may be accessed by the public on the Indian Arts and Crafts Board's Web site <http://www.doi.gov/iacb>.

The service of being listed in this directory is provided free-of-charge to

members of federally recognized tribes. Businesses listed in the Source Directory include American Indian and Alaska Native artists and craftspeople, cooperatives, tribal arts and crafts enterprises, businesses privately-owned-and-operated by American Indian and Alaska Native artists, designers, and craftspeople, and businesses privately owned-and-operated by American Indian and Alaska Native merchants who retail and/or wholesale authentic Indian and Alaska Native arts and crafts. Business listings in the Source Directory are arranged alphabetically by State.

The Director of the Board uses this information to determine whether an individual or business applying to be listed in the Source Directory meets the requirements for listing. The approved application will be printed in the Source Directory. The Source Directory is updated as needed to include new businesses and to update existing information. There is one type of application form, with a box to check what type of listing they are applying for: (1) New businesses—group; (2) new businesses—individual; (3) businesses already listed—group; and (4) businesses already listed—individual.

The authorities for this action are the Indian Arts and Crafts Act (25 U.S.C. 305) and the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*).

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-480 and 731-TA-1188 (Review)]

High Pressure Steel Cylinders From China

Determinations

On the basis of the record¹ developed in the subject five-year reviews, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the countervailing and antidumping duty orders on high pressure steel cylinders from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted these reviews on May 1, 2017 (82 FR 20314) and determined on August 4, 2017 that it would conduct expedited reviews (82 FR 42836, September 12, 2017).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on October 31, 2017. The views of the Commission are contained in USITC Publication 4738 (October 2017), entitled *High Pressure Steel Cylinders from China: Investigation Nos. 701-TA-480 and 731-TA-1188 (Review)*.

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).
