

vessel's arrival and up to the time the vessel is cleared by CBP. Payments required for CBP clearance must be made before clearance is granted.

Only commercial vessel maritime taxes and fees are eligible for prepayment online through this pilot. The commercial vessel maritime taxes and fees eligible for potential prepayment online through this pilot are: Regular tonnage tax, special tonnage tax, light money, COBRA user fees, including the prepayment of the annual COBRA fee, AQI user fees, and navigation fees. CBP may expand the pilot to include additional taxes and fees. Any expansion of the fees that are eligible for online payment will be announced in the **Federal Register** and posted on the CBP Web site, <http://www.cbp.gov>.

Process at the Designated Ports of Entry

When a commercial vessel arrives at a designated port of entry, a CBP employee will access the MCR system to determine whether the applicable taxes and fees have been prepaid online for that vessel. If the applicable taxes and fees have not been prepaid online, the vessel agent or other party responsible for payment will have the option to pay all applicable taxes and fees either electronically through the MCR system or at the port of entry with cash or check. If payment is made by cash or check, the CBP officer accepting payment will access the MCR system to review any relevant arrival information, automatically calculate the applicable fees, prepare an electronic version of Form 368 and Form 1002, if applicable, and email an electronic copy of the forms to the vessel operator, owner, or agent. In all situations, CBP officers will have the ability to review, amend, or add data as needed to accurately calculate applicable taxes and fees prior to entering or clearing a vessel.

Throughout the pilot, commercial vessel agents and other entities responsible for payment will continue to be able to pay applicable maritime taxes and fees to an authorized CBP employee by cash or check. CBP will provide electronic versions of Forms 368 and 1002 as a receipt for all payments, regardless of whether payment was made in person by cash or check or paid online. The port office will provide paper copies of Forms 368 and 1002 upon request.

This pilot will not affect the amount of taxes and fees due or the requirement that all applicable fees must be paid prior to the issuance of a clearance certificate. Additionally, vessel operators will continue to be required to present paper copies of Forms 368 and

1002 as proof of payment at subsequent ports and entries.

Designated Ports of Entry and Duration of the Pilot

The pilot will initially operate at the following ports of entry: Los Angeles-Long Beach, California; New Orleans, Louisiana; Gulfport, Mississippi; and, Mobile, Alabama.

The pilot will begin no earlier than January 8, 2018 and will continue for 18 months. If it is determined that the pilot is working successfully at these initial ports, the pilot may be expanded to additional ports of entry, extended for an additional period of time, and/or expanded to include additional maritime fees, taking into consideration any comments that are received. Any expansion or extension of the pilot would be announced in the **Federal Register**.

Privacy

CBP will ensure that all Privacy Act requirements and applicable policies are adhered to during the implementation of this pilot.

Paperwork Reduction Act

The Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3507(d)) requires that CBP consider the impact of paperwork and other information collection burdens imposed on the public. An agency may not conduct, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number assigned by the Office of Management and Budget. There is no information collection associated with this pilot, so the provisions of the PRA do not apply.

Authorization for the Pilot

This pilot is being conducted in accordance with 19 CFR 101.9(a), which authorizes the Commissioner to impose requirements different from those specified in the CBP regulations for the purposes of conducting a test program or procedure designed to evaluate the effectiveness of new technology or operational procedures regarding the processing of passengers, vessels, or merchandise. For participants in this pilot, CBP will waive the requirements to pay tonnage tax, light money, COBRA user fees, AQI user fees, and navigation fees by cash or check at the time of arrival or when the applicable service is provided, if the participant has paid all applicable taxes and fees due online prior to the vessel's arrival or prior to the time the vessel is cleared by CBP. The pilot also permits CBP officers to process the payment of checks over

\$100 without obtaining authorization from the Customs officer in charge.
