Abstract of Proposed Collection

The purpose of the DS–5528 is to document the evacuation of persons from abroad when their lives are endangered by war, civil unrest, or natural disaster; document issuance of a crisis evacuation loan; obtain a Privacy Act Waiver to share information about the welfare of a U.S. citizen or U.S. lawful permanent resident consistent with the Privacy Act of 1974; and, to facilitate debt collection.

Methodology

An electronic version of the Evacuee Manifest and Promissory Note was created, allowing applicants to type their information into the form, print it, and present it to a consular officer at the evacuation point. Continued software development will provide the capability to electronically submit signed loan applications for adjudication. The final stage of software development will not only allow the applicant to enter his/her information and submit the form, but will also make the information available for all stages of financial processing including the Department of State's debt collection process. Due to the potential for serious conditions during crisis events that often affect electronic and internet infrastructure systems, the electronic form will not replace the paper form. Rather, the paper form will still be maintained and used in the event that applicants are unable to submit forms electronically.

Michelle Bernier-Toth,

Managing Director, Bureau of Consular Affairs, Overseas Citizens Services, Department of State.

SURFACE TRANSPORTATION BOARD

[Docket No. AB 290 (Sub-No. 387X)]

Chesapeake Western Railway— Discontinuance of Service Exemption—in Rockingham and Shenandoah Counties, VA.

AGENCY: Surface Transportation Board. **ACTION:** Correction to notice of exemption.

On June 27, 2016, Chesapeake Western Railway (CW) filed a verified notice of exemption under 49 CFR 1152 subpart F—*Exempt Abandonments and Discontinuances of Service* to discontinue service over an approximately 15.1-mile rail line between milepost CW 84.4 at Mt. Jackson, Va., and milepost CW 99.5 at Broadway, Va., in Rockingham and Shenandoah Counties, Va. (the Line). On July 15, 2016, notice of the exemption was served and published in the **Federal Register** (81 FR 46,152).

On September 23, 2016, CW filed a letter stating that the starting point of the Line at milepost CW 84.4 was inadvertently incorrect and should have been CW 84.0. As a result, CW states that the total length of the Line is approximately 15.5 miles as opposed to 15.1 miles. This notice corrects the description of the milepost and total length of the Line. All other information in the July 15, 2016 notice is correct.

Board decisions and notices are available on our Web site at "WWW.STB.GOV."

Decided: January 12, 2017. By the Board, Rachel D. Campbell, Director, Office of Proceedings.

[Docket No. FD 36088]

SMS Rail Lines of New York, LLC— Acquisition and Operation Exemption—Rail Line of WCC, LLC, in Hudson Falls, NY

SMS Rail Lines of New York, LLC (SMS), a Class III rail carrier, has filed a verified notice of exemption under 49

CFR 1150.41 to acquire by lease from WCC, LLC, and operate approximately 3.5 miles of rail line in Hudson Falls, Washington County, NY (the Line). According to SMS, there are no milepost designations on the Line.

SMS certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier and will not exceed \$5 million.

SMS further certifies that the transaction does not include a provision or agreement that may limit future interchange commitments.

The transaction may be consummated on February 4, 2017, the effective date of the exemption (30 days after the exemption was filed).

If the notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction. Petitions for stay must be filed no later than January 27, 2017 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 36088, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423–0001. In addition, one copy of each pleading must be served on Robert A. Klein, 629 B Swedesford Rd., Malvern, PA 19355.
