

meeting, contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section below as soon as possible.

**Instructions:** You are free to submit comments at any time, including orally at the meetings, but if you want Council members to review your comment before the meetings, please submit your comments no later than April 30, 2018. We are particularly interested in the comments in the "Agenda" section below. You must include "Department of Homeland Security" and the docket number USCG-2010-0164. <http://www.regulations.gov>. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided. For more information about privacy and docket, review the Privacy and Security Notice for the Federal Docket Management System at <https://www.regulations.gov/privacyNotice>.

**Docket Search:** For access to the docket to read documents or comments related to this notice, go to <http://www.regulations.gov> insert USCG-2010-0164 in the "Search" box, press Enter, then click the item you wish to view.

**FOR FURTHER INFORMATION CONTACT:** Mr. Jeff Ludwig, Alternate Designated Federal Officer of the National Boating Safety Advisory Council, telephone (202) 372-1061, or at [jeffrey.a.ludwig@uscg.mil](mailto:jeffrey.a.ludwig@uscg.mil).

**SUPPLEMENTARY INFORMATION:** Notice of this meeting is given pursuant to the *Federal Advisory Committee Act*, Title 5, U.S.C., Appendix. Congress established the National Boating Safety Advisory Council in the *Federal Boat Safety Act of 1971* (Pub. L. 92-75). The National Boating Safety Advisory Council currently operates under the authority of 46 U.S.C. 13110 and 46 U.S.C. 4302(c). The latter requires the Secretary of Homeland Security and the Commandant of the U.S. Coast Guard by delegation to consult with the National Boating Safety Advisory Council in prescribing regulations for recreational vessels and associated equipment and on other major safety matters.

## Agenda

### Day 1

The agenda for the National Boating Safety Advisory Council meeting is as follows:

Tuesday, May 8, 2018

- (1) Opening remarks.
- (2) Receipt and discussion of the following reports:
  - (a) Chief, Office of Auxiliary and Boating Safety update on the U.S. Coast Guard's implementation of National

Boating Safety Advisory Council Resolutions and Recreational Boating Safety Program report.

(b) Alternate Designated Federal Officer's report concerning Council administrative and logistical matters.

(3) Presentation on effects of not wearing life jackets.

(4) Presentation on US Army Corps of Engineers life jacket requirements in northern Mississippi.

(5) Presentation on observed life jacket wear in "risky" situations.

(6) Presentation on role of Coast Guard District Recreational Boating Safety Specialists.

(7) Public comment period.

(8) Meeting Recess.

### Day 2

Wednesday, May 9, 2018

The day will be dedicated to Subcommittee sessions:

(1) *Boats and Associated Equipment Subcommittee*. Issues to be discussed include alternatives to pyrotechnic visual distress signals; grant projects related to boats and associated equipment; and situational awareness.

(2) *Prevention Through People Subcommittee*. Issues to be discussed include paddlesports participation; human factors and classification system integration into accident reporting; and licensing requirements for on-water boating safety instruction providers.

(3) *Recreational Boating Safety Strategic Planning Subcommittee*. Issues to be discussed include progress on implementation of the 2017-2021 Strategic Plan.

### DAY 3

Thursday, May 10, 2018

The full Council will resume meeting.

(1) Receipt and discussion of the Boats and Associated

Equipment, Prevention through People and Recreational Boating Safety Strategic Planning Subcommittee reports.

(2) Discussion of any recommendations to be made to the U.S. Coast Guard.

(3) Public comment period.

(4) Voting on any recommendations to be made to the U.S. Coast Guard.

(5) Adjournment of meeting.

There will be a comment period for the National Boating Safety Advisory Council members and a comment period for the public after each report presentation, but before each is voted on by the Council. The Council members will review the information presented on each issue, deliberate on any recommendations presented in the Subcommittees' reports, and formulate

recommendations for the Department's consideration.

The meeting agenda and all meeting documentation can be found at: <https://homeport.uscg.mil/missions/ports-and-waterways/safety-advisory-committees/nbsac>.

Alternatively, you may contact Mr. Jeff Ludwig as noted in the **FOR FURTHER INFORMATION CONTACT** section above.

Public comments or questions will be taken throughout the meeting as the Council discusses the issues and prior to deliberations and voting. There will also be a public comment period at the end of the meeting. Speakers are requested to limit their comments to 3 minutes. Please note that the public comment period may end before the period allotted, following the call for comments. Contact the individual listed in the **FOR FURTHER INFORMATION CONTACT** section above to register as a speaker.

Dated: March 29, 2018.

**Jason D. Neubauer,**

*Captain, U.S. Coast Guard, Acting Director of Inspections and Compliance.*

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

[Docket ID FEMA-2018-0002; Internal Agency Docket No. FEMA-B-1471]

### Proposed Flood Hazard Determinations

**AGENCY:** Federal Emergency Management Agency; DHS.

**ACTION:** Notice; correction.

**SUMMARY:** On March 16, 2015, FEMA published in the **Federal Register** a proposed flood hazard determination notice that contained an erroneous table. This notice provides corrections to that table, to be used in lieu of the information published at 80 FR 13593-13594. The table provided here represents the proposed flood hazard determinations and communities affected for Atlantic County, New Jersey (All Jurisdictions).

**DATES:** Comments are to be submitted on or before July 3, 2018.

**ADDRESSES:** The Preliminary Flood Insurance Rate Map (FIRM), and where applicable, the Flood Insurance Study (FIS) report for each community are available for inspection at both the online location <https://www.fema.gov/preliminaryfloodhazarddata> and the

respective Community Map Repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

You may submit comments, identified by Docket No. FEMA-B-1471, to Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) [patrick.sacbibit@fema.dhs.gov](mailto:patrick.sacbibit@fema.dhs.gov).

**FOR FURTHER INFORMATION CONTACT:** Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646-7659, or (email) [patrick.sacbibit@fema.dhs.gov](mailto:patrick.sacbibit@fema.dhs.gov); or visit the FEMA Map Information eXchange (FMIX) online at [https://www.floodmaps.fema.gov/fhm/fmx\\_main.html](https://www.floodmaps.fema.gov/fhm/fmx_main.html).

**SUPPLEMENTARY INFORMATION:** FEMA proposes to make flood hazard determinations for each community listed in the table below, in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed flood hazard determinations, together with the floodplain management criteria required

by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities. These flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after the FIRM and FIS report become effective.

Use of a Scientific Resolution Panel (SRP) is available to communities in support of the appeal resolution process. SRPs are independent panels of experts in hydrology, hydraulics, and other pertinent sciences established to review conflicting scientific and technical data and provide recommendations for resolution. Use of the SRP may only be exercised after FEMA and local communities have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Additional information regarding the SRP process can be found online at [https://www.floodsrp.org/pdfs/srp\\_fact\\_sheet.pdf](https://www.floodsrp.org/pdfs/srp_fact_sheet.pdf).

The communities affected by the flood hazard determinations are

provided in the table below. Any request for reconsideration of the revised flood hazard determinations shown on the Preliminary FIRM and FIS report that satisfies the data requirements outlined in 44 CFR 67.6(b) is considered an appeal. Comments unrelated to the flood hazard determinations will also be considered before the FIRM and FIS report are made final.

#### Correction

In the proposed flood hazard determination notice published at 80 FR 13593-13594 in the March 16, 2015, issue of the **Federal Register**, FEMA published a table titled "Atlantic County, New Jersey (All Jurisdictions)". This table contained inaccurate information as to the communities affected by the proposed flood hazard determinations.

In this document, FEMA is publishing a table containing the accurate information. The information provided below should be used in lieu of that previously published.

(Catalog of Federal Domestic Assistance No. 97.022, "Flood Insurance.")

Dated: March 22, 2018.

**Roy E. Wright,**

*Deputy Associate Administrator for Insurance and Mitigation, Department of Homeland Security, Federal Emergency Management Agency.*
