

Commerce is correcting the *Final Results* to include the names of these companies. As Jindal Poly Films Limited of India (Jindal)'s rate was the only calculated rate for these *Final Results*, the rate for the non-selected respondent companies is derived from Jindal's final weighted-average dumping duty margin of 5.95 percent.³

As a result of this review, we determine the following weighted-average dumping margins for the five non-selected respondent companies for the period July 1, 2016, through June 30, 2017:

Manufacturer/Exporter	Weighted-average margin (percent)
Garware Polyester Ltd	5.95
Chiripal Poly Films Limited ...	5.95
Polyplex Corporation Ltd	5.95
Ester Industries Limited	5.95
Vacmet India Limited	5.95

Antidumping Duty Assessment

As noted in the *Final Results*, upon completion of this administrative review, Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

We already issued instructions to CBP for Jindal and SRF Limited/SRF Limited of India, 15 days after publication of the final results of this review. For the five non-selected respondent companies: Garware Polyester Ltd., Chiripal Poly Films Limited, Polyplex Corporation Ltd., Ester Industries Limited, Vacmet India Limited, we intend to issue instructions to CBP 15 days after the publication of this corrected final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective

retroactively for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after March 13, 2019, the date of publication of the *Final Results* of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Garware Polyester Ltd., Chiripal Polyfilms Limited, Polyplex Corporation Ltd., Ester Industries Limited, Vacmet India Limited will be equal to the rates established in this notice of correction of final results of review; (2) for previously reviewed or investigated companies, including those for which Commerce may have determined they had no shipments during the POR, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review or another completed segment of this proceeding, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previously completed segment of this proceeding, then the cash deposit rate will be the "all-others" rate of 5.71 percent established in the less-than-fair-value investigation.⁴ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties' subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which

continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This correction to the *Final Results* is published in accordance with section 735(d), 736(a), and 777(i) of the Act, as amended.

Dated: April 30, 2019.

SUPPLEMENTARY INFORMATION: At the March 2019 Pacific Council meeting, the National Marine Fisheries Service (NMFS) announced plans to reinstate Endangered Species Act (ESA) consultation on the effect of Pacific Council-area ocean salmon fisheries on SRKW. NMFS and the Pacific Council agreed on a collaborative approach and began establishing work plans and a tentative schedule. At the April 2019 meeting, the Pacific Council formed the Workgroup to reassess the effects of Pacific Council-area ocean salmon fisheries on the Chinook salmon prey base of SRKW. A draft Terms of Reference was reviewed by the Pacific Council which describes the purpose of the Workgroup, a proposed timeline to accomplish this task, and a list of participants. Supporting documents can be found in the Pacific Council's April

2019 Briefing Book (Agenda Item F.3.a, Supplemental NMFS Report 1, April 2019 and Agenda Item D.6.a, Supplemental NMFS Report 1, April 2019).

The primary purpose of this first work session is to review the purpose of the Workgroup, discuss the current status of SRKW, exchange ideas regarding risk assessment methods and criteria for evaluating Pacific Council salmon fisheries, and to develop a work plan for the first draft of a risk assessment report. The Workgroup may also discuss and consider other items of interest on the Pacific Council's June 2019 meeting agenda. Although non-emergency issues not contained in the Workgroup meeting agenda may come before the Workgroup for discussion, those issues may not be the subject of formal action during this meeting. The Workgroup will provide a summary of this meeting to the Pacific Council, its advisory bodies, and the public at the June 2019 Pacific Council meeting in San Diego, CA.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.
