

Members are selected on a standardized basis, in accordance with applicable Department of Commerce guidance. The Co-Directors of the Center for Coastal and Ocean Mapping/Joint Hydrographic Center and two other NOAA employees serve as nonvoting members of the Panel. The Director, NOAA Office of Coast Survey, serves as the Designated Federal Official (DFO).

Voting members are individuals who, by reason of knowledge, experience, or training, are especially qualified in one or more disciplines relating to hydrographic surveying, tides, currents, geodetic and geospatial measurements, marine transportation, port administration, vessel pilotage, coastal or fishery management, and other oceanographic or marine science areas as deemed appropriate by the Administrator. Full-time officers or employees of the United States may not be appointed as a voting member. Any voting member of the Panel who is an applicant for, or beneficiary of (as determined by the Administrator) any assistance under 33 U.S.C. 892c shall disclose to the Panel that relationship, and may not vote on any other matter pertaining to that assistance.

Voting members of the Panel serve a four year term, except that vacancy appointments are for the remainder of the unexpired term of the vacancy. Members serve at the discretion of the Administrator and are subject to government ethics standards. Any individual appointed to a partial or full term may be reappointed for one additional full term. A voting member may serve until his or her successor has taken office. The Panel selects one voting member to serve as the Chair and another to serve as the Vice Chair. The Vice Chair acts as Chair in the absence or incapacity of the Chair but will not automatically become the Chair if the Chair resigns. Meetings occur at least twice a year, and at the call of the Chair or upon the request of a majority of the voting members or of the Administrator. Voting members receive compensation at a rate established by the Administrator, not to exceed the maximum daily rate payable under section 5376 of title 5, United States Code, when engaged in performing duties for the Panel. Members are reimbursed for actual and reasonable expenses incurred in performing such duties.

Past HSRP public meeting summary reports, agendas, presentations, transcripts, webinars, and other information is available online at: <https://www.nauticalcharts.noaa.gov/hsrp/mcctings.htm>.

Individuals Selected for Panel Membership

Upon selection and agreement to serve on the HSRP Panel, you become a Special Government Employee (SGE) of the United States Government. 18 U.S.C. 202(a) an SGE (s) is an officer or employee of an agency who is retained, designated, appointed, or employed to perform temporary duties, with or without compensation, not to exceed 130 days during any period of 365 consecutive days, either on a fulltime or intermittent basis. After the selection process is complete, applicants selected to serve on the Panel must complete the following actions before they can be appointed as a Panel member:

- (a) Security Clearance (on-line Background Security Check process and fingerprinting conducted through NOAA Workforce Management); and
- (b) Confidential Financial Disclosure Report—As an SGE, you are required to file a Confidential Financial Disclosure Report to avoid involvement in a real or apparent conflict of interest. You may find the Confidential Financial Disclosure Report at the following website: http://www.usoge.gov/forms/form_450.aspx.

Dated: March 1, 2019.

Paul M. Scholz,

Chief Financial Officer/Chief Administrative Officer, National Ocean Service, National Oceanic and Atmospheric Administration.

RIN 0648-XG859

Fisheries of the Gulf of Mexico; Southeast Data, Assessment, and Review (SEDAR); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of SEDAR 61 Assessment Webinar III for Gulf of Mexico red grouper.

SUMMARY: The SEDAR 61 stock assessment process for Gulf of Mexico red grouper will consist of an In-person Workshop, and a series of data and assessment webinars. See

SUPPLEMENTARY INFORMATION.

DATES: The SEDAR 61 Assessment Webinar III will be held on March 26, 2019, from 2 p.m. to 4 p.m., Eastern Time.

ADDRESSES: The meeting will be held via webinar. The webinar is open to members of the public. Those interested in participating should contact Julie A. Neer at SEDAR (see **FOR FURTHER INFORMATION CONTACT**) to request an invitation providing webinar access information. Please request webinar invitations at least 24 hours in advance of each webinar.

SEDAR address: 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT: Julie A. Neer, SEDAR Coordinator; (843) 571-4366; email: Julie.neer@safmc.net.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a multi-step process including: (1) Data Workshop, (2) a series of assessment webinars, and (3) A Review Workshop. The product of the Data Workshop is a report that compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The assessment webinars produce a report that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The product of the Review Workshop is an Assessment Summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion during the Assessment Webinar are as follows:

1. Using datasets and initial assessment analysis recommended from the in-person workshop, panelists will employ assessment models to evaluate stock status, estimate population

benchmarks and management criteria, and project future conditions.

2. Participants will recommend the most appropriate methods and configurations for determining stock status and estimating population parameters.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 5 business days prior to each workshop.

Note: The times and sequence specified in this agenda are subject to change.

Dated: March 5, 2019.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Mid-Atlantic Fishery Management Council (MAFMC); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The Mid-Atlantic Fishery Management Council (Council) will hold a public meeting of its Advisory Panels (AP) for management plans requiring commercial permits.

DATES: The meeting will be held on Monday, March 25, 2019, from 9 a.m. until 12 p.m.

ADDRESSES: The meeting will be held via webinar with a telephone-only connection option. Registration and connection details will be posted at: <http://www.mafmc.org>.

Council address: Mid-Atlantic Fishery Management Council, 800 N State Street, Suite 201, Dover, DE 19901; telephone: (302) 674-2331; www.mafmc.org.

FOR FURTHER INFORMATION CONTACT:

Christopher M. Moore, Ph.D., Executive Director, Mid-Atlantic Fishery Management Council, telephone: (302) 526-5255.

SUPPLEMENTARY INFORMATION: The Council's AP for fishery management plans requiring commercial permits (Mackerel, Squid, and Butterfish; Summer Flounder, Scup, and Black Sea Bass; Bluefish; Spiny Dogfish; Surfclam and Ocean Quahog; and Tilefish) will meet to provide input on the upcoming Commercial Electronic Vessel Trip Report (eVTR) Omnibus Framework and associated topics. The Council will consider feedback provided by the AP at its April 2019 meeting, which will be the first framework meeting for this action.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to M. Jan Saunders, (302) 526-5251, at least 5 days prior to the meeting date.

Dated: March 5, 2019.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XG860

Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The Pacific Fishery Management Council (Pacific Council) will convene a pre-assessment workshop to review proposed data and modeling approaches for groundfish stock assessments scheduled for assessment this year. The pre-assessment workshop will be followed by a skates historical catch reconstruction workshop to prepare for assessments of big and longnose skates scheduled for later this year. Both

workshops are open to the public. The workshops will also be streamed online via webinar to facilitate remote participation.

DATES: The pre-assessment workshop will be held Monday, March 25, 2019, from 1 p.m. until 5:30 p.m. (Pacific Daylight Time) or when business for the day has been completed. The workshop will reconvene on Tuesday, March 26, beginning at 8:30 a.m. and ending at 5:30 p.m. or when business has been completed. The skate historical catch reconstruction workshop will reconvene on Wednesday, March 27, beginning at 8:30 a.m. and ending at 5:30 p.m. or when business has been completed.

ADDRESSES: The pre-assessment and skates workshop will be held in the large conference room at the Pacific Fishery Management Council office, 7700 NE Ambassador Place, Suite 101, Portland, OR 97220; telephone: (503) 820-2280. Public listening stations will be available at the Pacific Council office, as well as the following locations:

National Marine Fisheries Service, Southwest Fisheries Science Center, Room 188, 110 McAllister Way, Santa Cruz, CA 95060; telephone: (831) 420-3947; and

Oregon Department of Fish and Wildlife, Main Conference Room, 2040 SE Marine Science Drive, Newport, OR 97365; telephone: (541) 867-4741.

The public listening station at the NMFS Southwest Fisheries Science Center in Santa Cruz will only be available for the March 25 and 26 pre-assessment workshop and will not be available for the March 27 skates workshop.

To attend the webinar: Use this link: <https://www.gotomeeting.com/webinar> and click "Join a Webinar" in the top right corner of the page. Enter the Webinar ID, which is 433-536-835, and your name and email address (required). After logging into the webinar, dial this TOLL number 1+ (213) 929-4232 (not a toll-free number), then enter the Attendee phone audio access code: 596-914-734, then enter your audio phone pin (shown after joining the webinar). *Note:* We have disabled Mic/Speakers on GoToMeeting as an option and require all participants to use a telephone or cell phone to participate. Technical Information and System Requirements: PC-based attendees are required to use Windows® 10, 8, 7, Vista, or XP; Mac®-based attendees are required to use Mac OS® X 10.5 or newer; Mobile attendees are required to use iPhone®, iPad®, Android™ phone or Android tablet. (See the <https://www.gotomeeting.com/webinar/ipad-iphone-android-webinar-apps>). You
