FCC Form 346 May 1956 Section I Form Approved Budget Bureau No. 52-R158

UNITED STATES OF AMERICA
FEDERAL COMMUNICATIONS COMMISSION

APPLICATION FOR AUTHORITY TO CONSTRUCT OR MAKE CHANGES IN A TELEVISION BROADCAST TRANSLATOR STATION

INSTRUCTIONS

A. This form is to be used in applying for authority to construct a new Television Broadcast Translator Station, or to make changes in an existing Television Broadcast Translator Station. This form consists of this part, Section I, and the following sections:

Section II. Legal, Financial Qualifications

Section III. Engineering Data

- B. Prepare three copies of this form and all exhibits. Swear to one copy of Section 1. File all the above with Federal Communications Commission, Washington 25. D. C.
- C. Number exhibits serially in the space provided in the body of the form and list each exhibit in the space provided on page 2 of this section. Date each exhibit.
- D. The name of the applicant stated herein shall be the exact corporate name, if a corporation; if a partnership, the names of all partners and the name under which the partnership does business; if an unincorporated association, the name of an executive officer, his office; and the name of the association.
- E. Information called for by this application which is already on file with the Commission need not be refiled in this application provided (1) the information is now on file in another application or FCC form filed by or on behalf of this applicant; (2) the information is identified fully by reference to the file number (if any), the FCC form number, and the filing date of the application or other form containing the information and the page or paragraph referred to, and (3) after making the reference, the applicant states: "No change since date of filing". Any such reference will be considered to incorporate into this application all information, confidential or otherwise, contained in the application or other form referred to: The incorporated application or other form will thereafter, in its entirety, be open to the public.

F. If the applicant is now licensee of an existing Standard, FM, Television, or International broadcast station, Paragraphs I through 9 need not be completed.

- G. This application must be executed by applicant, if an individual; by a partner of applicant, if a partnership; by an officer of applicant, if a corporation or association; or by attorney of applicant only under conditions shown in Section 1.303, Rules Relating to Practice and Procedure, in which event satisfactory evidence of disability of applicant or his absence from the Continental United States and authority of attorney to act must be submitted with application.
- H. Before filling out this application, the applicant should familiarize himself with the Communications Act of 1934, as an ended, Parts 1, 2, 3, 4, and 17 of the Commission's Rules and Regulations.
- 1. BE SURE ALL NECESSARY INFORMATION IS FURNISHED AND ALL PARAGRAPHS ARE FULLY ANSWERED. IF ANY PORTIONS OF THE APPLICATION ARE NOT APPLICABLE, SPECIFICALLY SO STATE. DEFECTIVE OR INCOMPLETE APPLICATIONS MAY BE RETURNED WITHOUT CONSIDERATION.

Table I

INSTRUCTIONS: If applicant is an individual, fill out columns (a) and (b) stating (a) applicant's name and residence (home) address or addresses, and (b) applicant's date and place of birth. If applicant is a partnership, fill out columns (a), (b), (c) and (g), stating as to each general or limited partner (including silent partners): (a) name and residence (home) address or addresses, (b) date and place of birth, (c) nature of partnership interest (i.e. general or limited), and (g) percent of ownership interest. If applicant is a corporation on an incorporated association, fill out all columns, giving the information requested as to all officers, directors and members of the governing board. In addition, give the information as to all stockholders, stock subscribers or holders of membership certificates of other ownership interests, unloss the applicant has more than 20 stockholders, stock subscribers or holders of membership certificates or other ownership interests, in which case furnish the information as to all persons owning 10 personn or of the capital stock, membership or ownership interest, and all persons who voted 10 person or more of the capital stock or interest at the last meeting of stockholders, members or owners. If applicant is a corporation or unincorporated association, state in columns (g) the personn of shares of stock of all classes or membership interests held, and (f) the number of shares of stock of all classes or membership interests subscribed for.
