

(3) It is necessary to consult with another agency having a substantial interest in the determination of the request or among two or more components of the Commission having substantial subject matter interest therein.

If these circumstances are not present or if it is not possible to locate the records and make the determination within the extended period, the person who made the request will be advised of his/her rights and asked to consent to an extension or further extension. If the requester or person who made the request agrees to an extension, the General Counsel will confirm the agreement in a letter specifying the length of the agreed-upon extension. If the requestor or person who made the request does not agree to an extension, the Commission will continue to search for and/or assess the record and will advise the person who made the request of further developments; but that person may file a complaint in an appropriate United States district court.

(l) Subject to the application for review and judicial stay provisions of paragraphs (h) and (i) of this section, if the request is granted, the records will be produced for inspection at the earliest possible time.

(m) Staff orders and letters denying requests for inspection are signed by the official (or officials) who give final approval of their contents. If a request is denied by the Commission, notice of denial will set forth the names of the Commissioners participating in the decision.

(n) Records shall be inspected within 7 days after notice is given that they have been located and are available for inspection. After that period, they will be returned to storage, and additional charges may be imposed for again producing them.
