

Federal Communications Commission

§ 53.213

§ 53.211 Audit planning.

(a) Before selecting an independent auditor, the Bell operating company shall submit preliminary audit requirements, including the proposed scope of the audit and the extent of compliance and substantive testing, to the Federal/State joint audit team organized pursuant to § 53.209(d);

(b) The Federal/State joint audit team shall review the preliminary audit requirements to determine whether it is adequate to meet the audit requirements in § 53.209 (b). The Federal/State joint audit shall have 30 days to review the audit requirements and determine any modifications that shall be incorporated into the final audit requirements.

(c) After the audit requirements have been approved by the Federal/State joint audit team, the Bell operating company shall engage within 30 days an independent auditor to conduct the biennial audit. In making its selection, the Bell operating company shall not engage any independent auditor who has been instrumental during the past two years in designing any of the accounting or reporting systems under review in the biennial audit.

(d) The independent auditor selected by the Bell operating company to conduct the audit shall develop a detailed audit program based on the final audit requirements and submit it to the Federal/State joint audit team. The Federal/State joint audit team shall have 30 days to review the audit program and determine any modifications that shall be incorporated into the final audit program.

(e) During the course of the biennial audit, the independent auditor, among other things, shall:

(1) Inform the Federal/State joint audit team of any revisions to the final audit program or to the scope of the audit.

(2) Notify the Federal/State joint audit team of any meetings with the Bell operating company or its separate affiliate in which audit findings are discussed.

(3) Submit to the Chief, Enforcement Bureau, any accounting or rule inter-

pretations necessary to complete the audit.

§ 53.213 Audit analysis and evaluation.

(a) Within 60 dates after the end of the audit period, but prior to discussing the audit findings with the Bell operating company or the separate affiliate, the independent auditor shall submit a draft of the audit report to the Federal/State joint audit team.

(1) The Federal/State joint audit team shall have 45 days to review the audit findings and audit workpapers, and offer its recommendations concerning the conduct of the audit or the audit findings to the independent auditor. Exceptions of the Federal/State joint audit team to the finding and conclusions of the independent auditor that remain unresolved shall be included in the final audit report.

(2) Within 15 days after receiving the Federal/State joint audit team's recommendations and making appropriate revisions to the audit report, the independent auditor shall submit the audit report to the Bell operating company for its response to the audit findings and send a copy to the Federal/State joint audit team. The independent auditor may request additional time to perform additional audit work as recommended by the Federal/State joint audit team.

(b) Within 30 days after receiving the audit report, the Bell operating company will respond to the audit findings and send a copy of its response to the Federal/State joint audit team. The Bell operating company's response shall be included as part of the final audit report along with any reply that the independent auditor wishes to make to the response.

(c) Within 10 days after receiving the response of the Bell operating company, the independent auditor shall make available for public inspection the final audit report by filing it with the Commission and the state regulatory agencies participating on the joint audit team.

(d) Interested parties may file comments with the Commission within 60

§ 53.301

days after the audit report is made available for public inspection.
