

§ 1.821

47 CFR Ch. I (10–1–08 Edition)

GRANTS BY RANDOM SELECTION

§ 1.821 Scope.

The provisions of §§ 1.822 and 1.824 of this part apply as indicated to those applications for permits, licenses or authorizations in the Multichannel Multipoint Distribution Service for which action may be taken by the Wireless Telecommunications Bureau pursuant to delegated authority.

[63 FR 68920, Dec. 14, 1998, as amended at 67 FR 13224, Mar. 21, 2002]

§ 1.822 General selection procedures.

(a) Mutually exclusive applications for permits and licenses in the services specified in § 1.821 may be designated for random selection according to the procedures established for each service. Following the random selection, the Commission shall determine whether the applicant is qualified to receive the permit or license. If, after reviewing the tentative selectee's application and pleadings properly filed against it, the Commission determines that a substantial and material question of fact exists, it shall designate the qualifying issue(s) for an expedited hearing.

(b) Expedited hearing procedures. (1) Hearings may be conducted by the Commission or an Administrative Law Judge. In the case of a question which requires oral testimony for its resolution, the hearing will be conducted by an Administrative Law Judge.

(2) Parties have ten (10) days from publication in the FEDERAL REGISTER of the hearing designation order to file notices of appearance.

(3) When the Commission, under § 1.221, issues an order stating the time, place, and nature of the hearing, this order shall instruct the applicant to submit its direct case in writing within thirty (30) days from the order's release date, or as otherwise specified in the order. The direct written case must set forth all those facts and circumstances related to the issues in the designation order. Documentary evidence upon which the applicant relies must be attached. Each exhibit must be numbered and must be accompanied by an affidavit from someone who has personal knowledge of the facts in the submission and who attests to the truth of the submission.

(4) The order will also specify those petitioners that directly raised an issue which was designated and will inform these parties of their opportunity to submit a written rebuttal case within twenty (20) days after the direct case is due. The procedures in paragraph (b)(3) of this section will apply as to documentary evidence, exhibits, and affidavits.

(5) Appeal of initial decisions rendered by an Administrative Law Judge shall lie with the Commission.

§ 1.824 Random selection procedures for Multichannel Multipoint Distribution Service and Multipoint Distribution Service H-Channel stations.

(a) If there are mutually exclusive applications for an initial conditional license or license, the Commission may use the random selection process to select the conditional licensee or licensee. Each such random selection shall be conducted under the direction of the Office of the Managing Director in conjunction with the Office of the Secretary. Following the random selection, the Commission shall announce the tentative selectee and determine whether the applicant is qualified to receive the conditional license or license. If the Commission determines that the tentative selectee is qualified, it shall grant the application. In the event that the tentative selectee's application is denied, a second random selection will be conducted. Petitions for Reconsideration, Motions to Stay or Applications for Review may be submitted at the time the Commission grants or denies the application of the tentative selectee. The filing periods specified in the rules shall apply for such pleadings.

(b) Competing applications for conditional licenses and licenses shall be designated for random selection in accordance with §§ 1.1621, 1.1622 (a), (b), (c), (d), and (e), and 1.1623. No preferences pursuant to § 1.1622 (b)(2) or (b)(3) shall be granted to any MMDS or MDS H-channel applicant whose owners, when aggregated, have an ownership interest of more than 50 percent in the media of mass communication
