

Federal Communications Commission

§ 69.406

shall be apportioned among the interexchange category and access elements on the basis of the apportionment of the investment in Accounts 2210, 2220, and 2230, respectively; provided that any expenses associated with DS1/voice-grade multiplexers, to the extent that they are not associated with an analog tandem switch, assigned to the local transport category by this paragraph shall be reallocated to the local switching category; provided further that any expenses associated with common channel signalling included in Account 6210 shall be assigned to the local transport category.

(c) Plant Specific Operations Expenses in Accounts 6310 and 6410 shall be assigned to the appropriate investment category and shall be apportioned among the interexchange category and access elements in the same proportions as the total associated investment.

(d) Plant Non Specific Operations Expenses in Accounts 6510 and 6530 shall be apportioned among the interchange category, the billing and collection category, and access elements in the same proportions as the combined investment in COE, IOT, and C&WF apportioned to each element and category.

(e) Plant Non Specific Operations Expenses in Account 6540 shall be assigned to the interexchange category.

(f) Plant Non Specific Operations Expenses in Account 6560 shall be apportioned among the interexchange category, the billing and collection category, and access elements in the same proportion as the associated investment.

(g) Amortization of embedded customer premises wiring investment shall be deemed to be associated with § 69.303(b) IOT investment for purposes of the apportionment described in paragraph (c) of this section.

[52 FR 37313, Oct. 6, 1987, as amended at 62 FR 31939, June 11, 1997]

§ 69.402 Operating taxes (Account 7200).

(a) Federal income taxes, state and local income taxes, and state and local gross receipts or gross earnings taxes that are collected in lieu of a corporate income tax shall be apportioned among

the interexchange category, the billing and collection category and all access elements based on the approximate net taxable income on which the tax is levied (positive or negative) applicable to each element and category.

(b) All other operating taxes shall be apportioned among the interexchange category, the billing and collection category and all access elements in the same manner as the investment apportioned to each element and category pursuant to § 69.309 Other Investment.

§ 69.403 Marketing expense (Account 6610).

Marketing expense shall be apportioned among the interexchange category and all access elements in the same proportions as the combined investment that is apportioned pursuant to § 69.309.

§ 69.404 Telephone operator services expenses in Account 6620.

Telephone Operator Services expenses shall be apportioned among the interexchange category, and the Local Switching and Information elements based on the relative number of weighted standard work seconds. For those companies who contract with another company for the provision of these services, the expenses incurred shall be directly assigned among the interexchange category and the Local Switching and Information elements on the basis of the bill rendered for the services provided.

§ 69.405 Published directory expenses in Account 6620.

Published Directory expenses shall be assigned to the Information element.

§ 69.406 Local business office expenses in Account 6620.

(a) Local business office expenses shall be assigned as follows:

(1) End user service order processing expenses attributable to presubscription shall be apportioned among the Common Line, Switching, and Transport elements in the same proportion as the investment apportioned to those elements pursuant to § 69.309.
