

(d) Carrier frequency, tolerance, and type of modulation of all carriers in the aeronautical bands at any location in the cable distribution system and the maximum of those average powers measured over a 2.5 kHz bandwidth as described in the introductory paragraph to this rule section;

(e) The geographical coordinates (in NAD83) of a point near the center of the system, together with the distance (in kilometers) from the designated point to the most remote point of the plant, existing or planned, that defines a circle enclosing the entire plant;

(f) Certification that the monitoring procedure used is in compliance with § 76.614 or description of the routine monitoring procedure to be used; and

(g) For MVPDs subject to § 76.611, the cumulative signal leakage index derived under § 76.611(a)(1) or the results of airspace measurements derived under § 76.611(a)(2), including a description of the method by which compliance with the basic signal leakage criteria is achieved and the method of calibrating the measurement equipment.

(h) Aeronautical Frequency Notifications, FCC Form 321, shall be personally signed either electronically or manually by the operator; by one of the partners, if the operator is a partnership; by an officer, if the operator is a corporation; by a member who is an officer, if the operator is an unincorporated association; or by any duly authorized employee of the operator.

(i) Aeronautical Frequency Notifications, FCC Form 321, may be signed by the operator's attorney in case of the operator's physical disability or of his absence from the United States. The attorney shall in that event separately set forth the reasons why the FCC Form 321 was not signed by the operator. In addition, if any matter is stated on the basis of the attorney's belief only (rather than the attorney's knowledge), the attorney shall separately set forth the reasons for believing that such statements are true.

(j) The FCC Registration Number (FRN).

§ 76.1901 Applicability.

(a) Each multi-channel video programming distributor shall comply with the requirements of this subpart.

(b) This subpart shall not apply to distribution of any content over the Internet, nor to a multichannel video programming distributor's operations via cable modem or DSL.

(c) With respect to cable system operators, this subpart shall apply only to cable services. This subpart shall not apply to cable modem services, whether or not provided by a cable system operator or affiliate.

§ 76.1902 Definitions.

(a) *Commercial advertising messages* shall mean, with respect to any service, program, or schedule or group of programs, commercial advertising messages other than:

(1) Advertising relating to such service itself or the programming contained therein,

(2) Interstitial programming relating to such service itself or the programming contained therein, or

(3) Any advertising which is displayed concurrently with the display of any part of such program(s), including but not limited to "bugs," "frames" and "banners."

(b) *Commercial audiovisual content* shall mean works that consist of a series of related images which are intrinsically intended to be shown by the use of machines, or devices such as projectors, viewers, or electronic equipment, together with accompanying sounds, if any, regardless of the nature of the material objects, such as films or tapes, in
