

§ 76.209

(2) At any time other than the respective periods set forth in paragraph (a)(1) of this section, systems may charge legally qualified candidates for public office no more than the charges made for comparable use of the system by commercial advertisers. The rates, if any, charged all such candidates for the same office shall be uniform and shall not be rebated by any means, direct or indirect. A candidate shall be charged no more than the rate the system would charge for comparable commercial advertising. All discount privileges otherwise offered by a system to commercial advertisers must be disclosed and made available upon equal terms to all candidates for public office.

(b) If a system permits a candidate to use its cablecast facilities, the system shall make all discount privileges offered to commercial advertisers, including the lowest unit charges for each class and length of time in the same time period and all corresponding discount privileges, available on equal terms to all candidates. This duty includes an affirmative duty to disclose to candidates information about rates, terms, conditions and all value-enhancing discount privileges offered to commercial advertisers, as provided in § 76.1611. Systems may use reasonable discretion in making the disclosure; provided, however, that the disclosure includes, at a minimum, the following information:

(1) A description and definition of each class of time available to commercial advertisers sufficiently complete enough to allow candidates to identify and understand what specific attributes differentiate each class;

(2) A description of the lowest unit charge and related privileges (such as priorities against preemption and make goods prior to specific deadlines) for each class of time offered to commercial advertisers;

(3) A description of the system's method of selling preemptible time based upon advertiser demand, commonly known as the "current selling level," with the stipulation that candidates will be able to purchase at these demand-generated rates in the same manner as commercial advertisers;

47 CFR Ch. I (10–1–08 Edition)

(4) An approximation of the likelihood of preemption for each kind of preemptible time; and

(5) An explanation of the system's sales practices, if any, that are based on audience delivery, with the stipulation that candidates will be able to purchase this kind of time, if available to commercial advertisers.

(c) Once disclosure is made, systems shall negotiate in good faith to actually sell time to candidates in accordance with the disclosure.

§ 76.213 Lotteries.

(a) No cable television system operator, except as in paragraph (c), when engaged in origination cablecasting shall transmit or permit to be transmitted on the origination cablecasting channel or channels any advertisement of or information concerning any lottery, gift, enterprise, or similar scheme, offering prizes dependent in whole or in part upon lot or chance, or any list of prizes drawn or awarded by means of any such lottery, gift enterprise, or scheme, whether said list contains any part or all of such prizes.

(b) The determination whether a particular program comes within the provisions of paragraph (a) of this section depends on the facts of each case. However, the Commission will in any event consider that a program comes within the provisions of paragraph (a) of this section if in connection with such program a prize consisting of money or thing of value is awarded to any person whose selection is dependent in whole or in part upon lot or chance, if as a condition of winning or competing for such prize, such winner or winners are

(ii) By a cable system located in another State which conducts such a lottery; or

(iii) By a cable system located in another State which is integrated with a cable system described in paragraphs (c)(1)(i) or (c)(1)(ii) of this section, if termination of the receipt of such transmission by the cable systems in such other State would be technically infeasible.

(2) Any gaming conducted by an Indian Tribe pursuant to the Indian Gaming Regulatory Act. (25 U.S.C. 2701 *et seq.*).

(3) A lottery, gift enterprise or similar scheme, other than one described in paragraph (c)(1) of this section, that is authorized or not otherwise prohibited by the State in which it is conducted and which is:

It does not include the placing or accepting of bets or wagers on sporting events or contests.

(e) For purposes of paragraph (c)(3)(i) of this section, the term "not-for-profit organization" means any organization that would qualify as tax exempt under

(3) The Web site's home page and other menu pages are clearly labeled to distinguish the noncommercial from the commercial sections; and

(4) The page of the Web site to which viewers are directed by the Web site address is not used for e-commerce, advertising, or other commercial purposes (e.g., contains no links labeled "store" and no links to another page with commercial material).

(c) If an Internet address for a Web site that does not meet the test in paragraph (b) of this section is displayed during a promotion in a children's program, in addition to counting against the commercial time limits in paragraph (a) of this section the promotion must be clearly separated from program material.

(d)(1) Entities subject to commercial time limits under the Children's Television Act shall not display a Web site address during or adjacent to a program if, at that time, on pages that are primarily devoted to free noncommercial content regarding that specific program or a character appearing in that program:
