

§ 23.54

meteorological organizations by facsimile and radio phototelegraphy, to one or more persons at one or more fixed points not specifically named in its license: *Provided, however,* That the licensee, upon institution of addressed press service to any point, shall promptly notify the Commission of the following:

(1) The name and location of the person subscribing to such service.

(2) The date of institution of such service, and

(3) The location of the licensee's station from which such service is transmitted.

Any authority, granted under this paragraph, to transmit addressed press messages to any person or to any point may be terminated by the Commission upon notice to the licensee within 30 days after notification of institution of service to such person or point is filed by the licensee.

(b) In the event of the deletion of service to any point or to any person or any change with respect to the facts reported under paragraph (a) (1) or (3) of this section, the licensee shall promptly notify the Commission of such deletion or change and the date thereof.

(c) On or before the first day of February and the first day of August of each year, the licensee shall submit, for each of its stations authorized to render addressed press service in accordance with provisions of this section, a recapitulative list, as of the first day of January and the first day of July respectively of that year, containing the following:

(1) The name and location of each person subscribing to such service, and

(2) The date of institution of such service to each person at each point.

§ 23.54 Use of double sideband radiotelephone.

Use of double sideband radiotelephone transmissions, on frequencies below 30 MHz, shall be held to a minimum with a view towards discontinuance of such operations as soon as possible. Except in cases where the foreign correspondent is unable to receive single sideband transmissions,

47 CFR Ch. I (10–1–09 Edition)

double sideband radiotelephone shall not be transmitted after January 1, 1965.

§ 23.55 Equal employment opportunities.

(a) *General policy.* Equal opportunity in employment shall be afforded by all common carrier licensees or permittees to all qualified persons, and no personnel shall be discriminated against in employment because of sex, race, color, religion, or national origin.

(b) *Equal employment opportunity program.* Each licensee or permittee shall establish, maintain, and carry out, a positive continuing program of specific practices designed to assure equal opportunity in every aspect of employment policy and practice. Under the terms of its program, a licensee or permittee shall:

(1) Define the responsibility of each level of management to insure a positive application and vigorous enforcement of the policy of equal opportunity, and establish a procedure to review and control managerial and supervisory performance.

(2) Inform its employees and recognized employee organizations of the positive equal employment opportunity policy and program and enlist their cooperation.

(3) Communicate its equal employment opportunity policy and program and its employment needs to sources of qualified applicants without regard to sex, race, color, religion, or national origin, and solicit their recruitment assistance on a continuing basis.

(4) Conduct a continuing campaign to exclude every form of prejudice or discrimination based upon sex, race, color, religion, or national origin, from the licensees' or permittees' personnel policies and practices and working conditions.

(5) Conduct a continuing review of job structure and employment practices and adopt positive recruitment, training, job design and other measures needed in order to insure genuine equality of opportunity to participate fully in all organizational units, occupations and levels of responsibility.
