

§ 54.516

Administrator for that amount. Carriers shall elect in January of each year the method by which they will be reimbursed and shall remain subject to that method for the duration of the calendar year. Any support amount that is owed a carrier that fails to remit its monthly universal service contribution obligation, however, shall first be applied as an offset to that carrier's contribution obligation. Such a carrier shall remain subject to the offsetting method for the remainder of the calendar year in which it failed to remit their monthly universal service obligation. A carrier that continues to be in arrears on its universal service contribution obligations at the end of a calendar year shall remain subject to the offsetting method for the next calendar year.

(b) If a telecommunications carrier elects to treat the amount eligible for support under this subpart as an offset against the carrier's universal service contribution obligation and the total amount of support owed to the carrier exceeds its universal service obligation, calculated on an annual basis, the carrier shall receive a direct reimbursement in the amount of the difference. Any such reimbursement due a carrier shall be submitted to that carrier no later than the end of the first quarter of the calendar year following the year in which the costs were incurred and the offset against the carrier's universal service obligation was applied.

to verify the actual location of such equipment for a period of five years after purchase.

(2) *Service providers.* Service providers shall retain documents related to the delivery of discounted telecommunications and other supported services for at least 5 years after the last day of the delivery of discounted services. Any other document that demonstrates compliance with the statutory or regulatory requirements for the schools and libraries mechanism shall be retained as well.

(b) *Production of records.* Schools, libraries, and service providers shall produce such records at the request of any representative (including any auditor) appointed by a state education department, the Administrator, the FCC, or any local, state or federal agency with jurisdiction over the entity.

(c) *Audits.* Schools, libraries, and service providers shall be subject to audits and other investigations to evaluate their compliance with the statutory and regulatory requirements for the schools and libraries universal service support mechanism, including those requirements pertaining to what services and products are purchased, what services and products are delivered, and how services and products are being used. Schools and libraries receiving discounted services must provide consent before a service provider releases confidential information to the auditor, reviewer, or other representative.

§ 54.520

(c) *Requirements.* Such services provided by non-telecommunications carriers shall be subject to all the provisions of this subpart, except §§ 54.501(a), 54.502, 54.503, 54.515.

[62 FR 32948, June 17, 1997, as amended at 63 FR 2131, Jan. 13, 1998; 68 FR 36942, June 20, 2003]

§ 54.518 Support for wide area networks.

To the extent that states, schools, or libraries build or purchase a wide area network to provide telecommunications services, the cost of such wide area networks shall not be eligible for universal service discounts provided under this subpart.

[63 FR 2131, Jan. 13, 1998]

§ 54.519 State telecommunications networks.

(a) *Telecommunications services.* State telecommunications networks may secure discounts under the universal service support mechanisms on supported telecommunications services (as described in § 54.502) on behalf of eligible schools and libraries (as described in § 54.501) or consortia that include an eligible school or library. Such state telecommunications networks shall pass on such discounts to eligible schools and libraries and shall:

(1) Maintain records listing each eligible school and library and showing the basis for each eligibility determination;

(2) Maintain records demonstrating the discount amount to which each eligible school and library is entitled and the basis for such determination;

(3) Take reasonable steps to ensure that each eligible school or library receives a proportionate share of the shared services;

(4) Request that service providers apply the appropriate discount amounts on the portion of the supported services used by each school or library;

(5) Direct eligible schools and libraries to pay the discounted price; and

(6) Comply with the competitive bid requirements set forth in § 54.504(a).

(b) *Internet access and installation and maintenance of internal connections.* State telecommunications networks either may secure discounts on Internet

access and installation and maintenance of internal connections in the manner described in paragraph (a) of this section with regard to telecommunications, or shall be eligible, consistent with § 54.517(b), to receive universal service support for providing such services to eligible schools, libraries, and consortia including those entities.

§ 54.520 Children's Internet Protection Act certifications required from recipients of discounts under the federal universal service support mechanism for schools and libraries.

(a) *Definitions.*

(1) *School.* For the purposes of the certification requirements of this rule, school means school, school district, local education agency or other authority responsible for administration of a school.

(2) *Library.* For the purposes of the certification requirements of this rule, library means library, library board or authority responsible for administration of a library.

(3) *Billed entity.* Billed entity is defined in § 54.500. In the case of a consortium, the billed entity is the lead member of the consortium.

(4) *Statutory definitions.* The terms "minor," "obscene," "child pornography," "harmful to minors" and "technology protection measure" as used in this section, are defined in the Children's Internet Protection Act section 1721(c).

(b) *Who is required to make certifications?* (1) A school or library that receives discounts for Internet access and internal connections services under the federal universal service support mechanism for schools and libraries, must make such certifications as described in paragraph (c) of this section. The certifications required and described in paragraph (c) of this section must be made in each funding year.

(2) Schools and libraries that only receive discounts for telecommunications services under the federal universal service support mechanism for schools and libraries are not subject to the requirements 47 U.S.C. 254(h) and
