shall not be eligible for discount services under the federal universal service support mechanism for schools and libraries until such certifications are submitted.

(2) *Consortia*. (3) *Reestablishing eligibility*. At any time, a school or library deemed ineligible for discount services under the federal universal service support mechanism for schools and libraries because of failure to submit certifications required by this section, may reestablish eligibility for discounts by providing the required certifications to the Administrator and the Commission.

(e) *Failure to comply with the certifications—(1) Schools and libraries*. A school or library that knowingly fails to ensure the use of computers in accordance with the certifications required by this section, must reimburse any funds and discounts received under the federal universal service support mechanism for schools and libraries for the period in which there was non-compliance.

(2) *Consortia*. In the case of consortium applications, the eligibility for discounts of consortium members who ensure the use of computers in accordance with the certification requirements of this section shall not be affected by the failure of other school or library consortium members to ensure the use of computers in accordance with such requirements.

(3) *Reestablishing compliance*. At any time, a school or library deemed ineligible for discounts under the federal universal service support mechanism for schools and libraries for failure to ensure the use of computers in accordance with the certification requirements of this section and that has been directed to reimburse the program for discounts received during the period of noncompliance, may reestablish compliance by ensuring the use of its computers in accordance with the certifi-

(f) *Waivers based on state or local procurement rules and regulations and competitive bidding requirements*. Waivers shall be granted to schools and libraries when the authority responsible for making the certifications required by this section, cannot make the required certifications because its state or local procurement rules or regulations or competitive bidding requirements, prevent the making of the certification otherwise required. The waiver shall be granted upon the provision, by the authority responsible for making the certifications on behalf of schools or libraries, that the schools or libraries will be brought into compliance with the requirements of this section, for schools, before the start of the third program year after April 20, 2001 in which the school is applying for funds under this title, and, for libraries, before the start of Funding Year 2005 or the third program year after April 20, 2001, whichever is later.

(g) *Funding year certification deadlines*. For Funding Year 2003 and for subsequent funding years, billed entities shall provide one of the certifications required under paragraph (c)(1), (c)(2) or (c)(3) of this section on an FCC Form 486 in accordance with the existing program guidelines established by the Administrator.
