

§ 63.66

§ 63.63), authority to close a public toll station in a community in which another toll station of the applicant will continue service shall be requested by an informal request, filed in quintuplicate, making reference to this paragraph and showing the following:

(1) Location of toll station to be closed and distance from nearest toll station to be retained;

(2) Description of service area affected, including approximate population and character of the business of the community;

(3) Average number of toll telephone messages sent-paid and received-collect for the preceding six months;

(4) Average number of telegraph messages sent-paid and received-collect for the preceding six months;

(5) Statement of reasons for desiring to close the station.

(b) Authority for closures requested under paragraph (a) of this section shall be deemed to have been granted by the Commission effective as of the 15th day following the date of filing such request unless, on or before the 15th day, the Commission shall notify the carrier to the contrary.

§ 63.66 Closure of or reduction of hours of service at telephone exchanges at military establishments.

Where a carrier desires to close or reduce hours of service at a telephone exchange located at a military establishment because of the deactivation of such establishment, it may, in lieu of filing formal application, file in quintuplicate an informal request. Such request shall make reference to this section and shall set forth the class of office, address, date of proposed closure or reduction, description of service to remain or be substituted, statement as to any difference in charges to the public, and the reasons for the proposed closure or reduction. Authority for such closure or reduction shall be deemed to have been granted by the Commission, effective as of the 15th day following the date of filing of such request, unless, on or before the 15th day, the Commission shall notify the carrier to the contrary.

47 CFR Ch. I (10–1–09 Edition)

§ 63.71 Procedures for discontinuance, reduction or impairment of service by domestic carriers.

Any domestic carrier that seeks to discontinue, reduce or impair service shall be subject to the following procedures:

(a) The carrier shall notify all affected customers of the planned discontinuance, reduction, or impairment of service and shall notify and submit a copy of its application to the public utility commission and to the Governor of the State in which the discontinuance, reduction, or impairment of service is proposed, and also to the Secretary of Defense, Attn. Special Assistant for Telecommunications, Pentagon, Washington, DC 20301. Notice shall be in writing to each affected customer unless the Commission authorizes in advance, for good cause shown, another form of notice. Notice shall include the following:

(1) Name and address of carrier;

(2) Date of planned service discontinuance, reduction or impairment;

(3) Points of geographic areas of service affected;

(4) Brief description of type of service affected; and

(5) One of the following statements:

(i) If the carrier is non-dominant with respect to the service being discontinued, reduced or impaired, the notice shall state: The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of (carrier's name). Comments should include specific information about the impact of this proposed discontinuance (or reduction or

impairment) upon you or your company, including any inability to acquire reasonable substitute service.

(ii) If the carrier is dominant with respect to the service being discontinued, reduced or impaired, the notice shall state: The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 30 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of (carrier's name). Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

(b) The carrier shall file with this Commission, on or after the date on which notice has been given to all affected customers, an application which shall contain the following:

(1) Caption—"Section 63.71 Application";

(2) Information listed in §63.71(a) (1) through (4) above;

(3) Brief description of the dates and methods of notice to all affected customers;

(4) Whether the carrier is considered dominant or non-dominant with respect to the service to be discontinued, reduced or impaired; and

(5) Any other information the Commission may require.

(c) The application to discontinue, reduce or impair service, if filed by a domestic, non-dominant carrier, shall be automatically granted on the 31st day after its filing with the Commission without any Commission notification to the applicant unless the Commission has notified the applicant that the grant will not be automatically effective. The application to discontinue,

reduce or impair service, if filed by a domestic, dominant carrier, shall be automatically granted on the 60th day after its filing with the Commission without any Commission notification to the applicant unless the Commission has notified the applicant that the grant will not be automatically effective. For purposes of this section, an application will be deemed filed on the date the Commission releases public notice of the filing.

(d) Procedures for discontinuance, reduction or impairment of international services are in §63.19.

[64 FR 39939, July 23, 1999, as amended at 71 FR 65751, Nov. 9, 2006; 73 FR 56741, Sept. 30, 2008]

§ 63.90 Publication and posting of notices.

(a) Immediately upon the filing of an application or informal request (except a request under §63.71) for authority to close or otherwise discontinue the operation, or reduce the hours of service at a telephone exchange (except an exchange located at a military establishment), the applicant shall post a public notice at least 51 cm by 61 cm (20 inches by 24 inches), with letter of commensurate size, in a conspicuous place in the exchange affected, and also in the window of any such exchange having window space fronting on a public street at street level. Such notice shall be posted at least 14 days and shall contain the following information, as may be applicable:

(1) Date of first posting of notice;

(2) Name of applicant;

(3) A statement that application has been made to the Federal Communications Commission;

(4) Date when application was filed in the Commission;

(5) A description of the discontinuance, reduction, or impairment of service for which authority is sought including the address or other appropriate identification of the exchange or station involved;

(6) If applicant proposes to reduce hours of service, a description of present and proposed hours of service;

(7) A complete description of the substitute service, if any, to be provided if the application is granted.
