§ 76.946 Advertising of rates.

Cable operators that advertise rates for basic service and cable programming service tiers shall be required to advertise rates that include all costs and fees. Cable systems that cover multiple franchise areas having differing franchise fees or other franchise costs, different channel line-ups, or different rate structures may advertise a complete range of fees without specific identification of the rate for each individual area. In such circumstances, the operator may advertise a "fee plus" rate that indicates the core rate plus the range of possible additions, depend-

§ 76.950 Complaints regarding cable programming service rates.

(a) A franchising authority may file with the Commission a complaint challenging the reasonableness of its cable operator's rate for cable programming service, or the reasonableness of the cable operator's charges for installation or rental of equipment used for the receipt of cable programming service. The franchise authority may file a complaint with the Commission only upon receipt of more than one subscriber complaint made to the franchise authority within 90 days after the effective date of the challenged rate increase.

(b) This section shall not apply to cable programming services provided after March 31, 1999.

(7) An indication that the complainant franchising authority received more than one subscriber complaint within 90 days of the operator's imposition of the rate in question; and

§ 76.952 Information to be provided by cable operator on monthly subscriber bills.

All cable operators must provide the following information to subscribers on monthly bills:

[58 FR 29753, May 21, 1993, as amended at 59 FR 17960, Apr. 15, 1994; 64 FR 35950, July 2, 1999]

§ 76.953 Limitation on filing a complaint.

(a) *Complaint regarding a rate change.* A complaint alleging an unreasonable rate for cable programming service or associated equipment may be filed against a cable operator only in the event of a rate change, including an increase or decrease in rates, or a change in rates that results from a change in a system's service tiers. A rate change may involve an implicit rate increase (such as deleting channels from a tier without a corresponding lowering of the rate for that tier). A complaint regarding a rate change for cable programming service or associated equipment may be filed against a cable operator only in the event of a rate change.

(b) Late-filed complaints will be dismissed with prejudice.

[58 FR 29753, May 21, 1993, as amended at 58 FR 46736, Sept. 2, 1993; 59 FR 17960, 17974, Apr. 15, 1994; 60 FR 35868, July 12, 1995; 61 FR 18979, Apr. 30, 1996]

§ 76.954 Initial review of complaint; minimum showing requirement; dismissal of defective complaints.

(a) The Commission will conduct an initial review of a complaint to determine if it meets the minimum showing required to allow the complaint to go forward. The minimum showing shall be satisfied if the complaint is filed using the standard complaint form described in § 76.951 and includes all information and attachments required by that form. A complainant will not be required, as part of the minimum showing, to provide the underlying information and calculations necessary to judge the cable programming service rate in question against the Commission's rate standards.

(b) A complaint that does not meet the minimum showing requirement described in paragraph (a) of this section will be considered defective. A defective complaint will be dismissed without prejudice to filing a corrected complaint as provided by § 76.955. The Commission will notify the complainant by mail of the dismissal. The filing of a complaint on the applicable form, but which is otherwise defective, will toll the limitation period established by § 76.953.

§ 76.955 Additional opportunity to file corrected complaint.

(a) If the Commission dismisses an initial complaint without prejudice pursuant to § 76.954, the complainant shall have one additional opportunity to cure the defect and file a corrected complaint.

(b) For a complaint filed on the applicable form but is otherwise defective, the complainant must cure the defect and file a corrected complaint with the Commission within 30 days from the date of the Commission's dismissal notice. Failure to cure the defect and file a corrected complaint within this time period will result in dismissal of the complaint with prejudice.
