(4) Grant of the application will be reflected in a Public Notice (see § 1.933(a)(2)) promptly issued after the grant.

(5) If the Bureau determines to remove an application from streamlined processing, it will issue a Public Notice indicating that the application has been removed from streamlined processing. Within 90 days of that Public Notice, the Bureau will either take action upon the application or provide public notice that an additional 90-day period for review is needed.

(e) *Public notice of application.* Applications under this subpart will be placed on an informational public notice on a weekly basis (see § 1.933(a)).

(f) *Contents of the application.* The application must contain all information requested on the applicable form, any additional information and certifications required by the rules in this chapter, and any rules pertaining to the specific service for which the application is filed.
