

§ 54.415

47 CFR Ch. I (10–1–10 Edition)

§ 54.415 Consumer qualification for Link Up.

(a) In a state that mandates state Lifeline support, the consumer qualification criteria for Link Up shall be the same as the criteria that the state established for Lifeline qualification in accord with § 54.409(a).

(b) In a state that does not mandate state Lifeline support, the consumer qualification criteria for Link Up shall be the criteria set forth in § 54.409(b).

(c) Notwithstanding paragraphs (a) and (b) of this section, an eligible resident of Tribal lands, as defined in § 54.400(e), shall qualify to receive Link Up support.

EFFECTIVE DATE NOTE: At 69 FR 34601, June 22, 2004, § 54.416 was added. This section contains information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 54.417 Recordkeeping requirements.

(a) Eligible telecommunications carriers must maintain records to document compliance with all Commission and state requirements governing the Lifeline/Link Up programs for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request. Notwithstanding the preceding sentence, eligible telecommunications carriers must maintain the documentation required in §§ 54.409(d) and 54.410(b)(3) for as long as the consumer receives Lifeline service from that eligible telecommunications carrier. If an eligible telecommunications carrier provides Lifeline discounted wholesale services to a reseller, it must obtain a certification from that reseller that it is complying with all Commission requirements governing the Lifeline/Link Up programs.

(b) Non-eligible-telecommunications-carrier resellers that purchase Lifeline discounted wholesale services to offer discounted services to low-income consumers must maintain records to document compliance with all Commission requirements governing the Lifeline/Link Up programs for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request. To the extent such a reseller provides discounted services to low-income consumers, it constitutes the eligible telecommunications carrier referenced in §§ 54.405(c), 54.405(d), 54.409(d), 54.410, and 54.416.

§ 54.418 Digital Television Transition Notices by Eligible Telecommunications Carriers.

(a) Eligible telecommunications carriers (ETCs) that receive federal universal service funds shall provide their Lifeline or Link-Up customers with notices about the transition for over-the-air full power broadcasting from analog to digital service (the “DTV Transition”) in the monthly bills or bill notices received by such customers, or as a monthly stand-alone mailer (*e.g.*, postcard, brochure), beginning April 1, 2009, and concluding on June 30, 2009.

(b) The notice must be provided as part of an information section on the bill or bill notice itself or on a secondary document mailed with the bill or bill notice, or as part of a monthly stand-alone mailer (*e.g.*, postcard, brochure) in the same language or languages as the customer’s bill or bill notice. These notices must:

- (1) Be in clear and conspicuous print;
- (2) Convey at least the following information about the DTV transition:

- (i) The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local television stations may switch sooner. After the switch, analog-only television sets that receive TV programming through an antenna will need a converter box to continue to receive over-the-air TV. Watch your local stations to find out when they will turn off their analog signal and switch to

digital-only broadcasting. Analog-only TVs should continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

(ii) Information about the DTV transition is available from your local television stations, <http://www.DTV.gov>, or 1-888-CALL-FCC (TTY 1-888-TELL-FCC), and from <http://www.dtv2009.gov> or 1-888-DTV-2009 (TTY 1-877-530-2634) for information about subsidized coupons for digital-to-analog converter boxes;

(c) If an ETC's Lifeline or Link-Up customer does not receive paper versions of either a bill or a notice of billing, then that customer must be provided with equivalent monthly notices in whatever medium they receive information about their monthly bill or as a monthly stand-alone mailer (e.g., postcard, brochure).

(d) ETCs that receive federal universal service funds shall provide information on the DTV Transition that is equivalent to the information provided pursuant to paragraph (b)(2) of this section as part of any Lifeline or Link-Up publicity campaigns conducted by the ETC between March 27, 2008, and June 30, 2009.

Subpart F—Universal Service Support for Schools and Libraries

§ 54.500 Terms and definitions.

(a) *Billed entity*. A “billed entity” is the entity that remits payment to service providers for services rendered to eligible schools and libraries.

(b) *Educational purposes*. For purposes of this subpart, activities that are integral, immediate, and proximate to the education of students, or in the case of libraries, integral, immediate and proximate to the provision of library services to library patrons, qualify as “educational purposes.” Activities that occur on library or school property are presumed to be integral, immediate, and proximate to the education of students or the provision of library services to library patrons.

(c) *Elementary school*. An “elementary school” is a non-profit institutional day or residential school, including a public elementary charter school, that provides elementary education, as determined under state law.

(d) *Library*. A “library” includes:

- (1) A public library;
- (2) A public elementary school or secondary school library;
- (3) An academic library;
- (4) A research library, which for the purpose of this section means a library that:

(i) Makes publicly available library services and materials suitable for scholarly research and not otherwise available to the public; and

(ii) Is not an integral part of an institution of higher education; and

(5) A private library, but only if the state in which such private library is located determines that the library should be considered a library for the purposes of this definition.

(e) *Library consortium*. A “library consortium” is any local, statewide, regional, or interstate cooperative association of libraries that provides for the systematic and effective coordination of the resources of schools, public, academic, and special libraries and information centers, for improving services to the clientele of such libraries. For the purposes of these rules, references to library will also refer to library consortium.

(f) *Lowest corresponding price*. “Lowest corresponding price” is the lowest price that a service provider charges to non-residential customers who are similarly situated to a particular school, library, or library consortium for similar services.

(g) *Master contract*. A “master contract” is a contract negotiated with a service provider by a third party, the terms and conditions of which are then made available to an eligible school, library, rural health care provider, or consortium that purchases directly from the service provider.

(h) *Minor contract modification*. A “minor contract modification” is a change to a universal service contract that is within the scope of the original contract and has no effect or merely a negligible effect on price, quantity,
