(a) Informational tariffs filed pursuant to 47 U.S.C. 226(h)(1)(A) shall contain specific rates expressed in dollars and cents for each interstate operator service of the carrier and shall also contain applicable per call aggregator surcharges or other per-call fees, if any, collected from consumers by, or on behalf of, the carrier.

(2) Copies of the cover letter and the attachments shall be submitted to the Secretary's Office, the Commission's contractor for public records duplication, and the Chief, Tariff and Price Analysis Branch, Competitive Pricing Division.

§ 64.710 Operator services for prison inmate phones.

(a) Each provider of inmate operator services shall:

(1) Identify itself and disclose, audibly and distinctly to the consumer, at no charge and before connecting any interstate, non-access code operator service call, how to obtain the total cost of the call, including any surcharge or premises-imposed-fee. The oral disclosure required in this paragraph shall instruct consumers that they may obtain applicable rate and surcharge quotations either, at the option of the provider of inmate operator services, by dialing no more than two digits or by remaining on the line. The phrase “total cost of the call,” as used in this paragraph, means both the variable (duration-based) charges for the call and the total per-call charges, exclusive of taxes, that the carrier, or its billing agent, may collect from the consumer for the call. Such phrase shall include any per-call surcharge imposed by the correctional institution, unless it is subject to regulation itself as a common carrier for imposing such surcharges, if the contract between the carrier and the correctional institution prohibits both resale and the use of pre-paid calling card arrangements.

(2) Permit the consumer to terminate the telephone call at no charge before the call is connected; and

(3) Disclose immediately to the consumer, upon request and at no charge to the consumer—

(i) The methods by which its rates or charges for the call will be collected; and

(ii) The methods by which complaints concerning such rates, charges or collection practices will be resolved.

(b) As used in this subpart:

(1) *Consumer* means the party to be billed for any interstate call from an inmate telephone;
