§ 76.77 Reporting requirements and enforcement.

(a) *EEO program annual reports.* Information concerning a unit's compliance with the EEO recruitment requirements shall be filed by each employment unit with six or more full-time employees on FCC Form 396-C on or before September 30 of each year. If a multichannel video programming distributor acquires a unit during the twelve months covered by the EEO program annual report, the recruitment activity in the report shall cover the period starting with the date the entity acquired the unit.

(b) *Certification of Compliance.* The Commission will use the recruitment information submitted on a unit's EEO program annual report to determine whether the unit is in compliance with the provisions of this subpart. Units found to be in compliance with these rules will receive a Certificate of Compliance. Units found not to be in compliance will receive notice that they are not certified for a given year.

(c) *Investigations.* The Commission will investigate each unit at least once every five years. Employment units are required to submit supplemental investigation information with their regular EEO program annual reports in the years they are investigated. If an entity acquires a unit during the period

covered by the supplemental investigation, the information submitted by the unit as part of the investigation shall cover the period starting with the date the operator acquired the unit. The supplemental investigation information shall include a copy of the unit's EEO public file report for the preceding year.

(d) *Records and inquiries.* Employment units subject to this subpart shall maintain records of their recruitment activity in accordance with § 76.75 to demonstrate whether they are in compliance with the EEO rules. Units shall ensure that they maintain records sufficient to verify the accuracy of information provided in their EEO program annual reports and the supplemental investigation responses required by § 76.1702 to be kept in a unit's public file. To determine compliance with the EEO rules, the Commission may conduct inquiries of employment units at random or if the Commission has evidence of a possible violation of the EEO rules. Upon request, employment units shall make records available to the Commission for its review.

(e) *Public complaints.* The public may file complaints based on EEO program annual reports, supplemental investigation information, or the contents of a unit's public file.

(f) *Sanctions and remedies.* The Commission may issue appropriate sanctions and remedies for any violation of the EEO rules.

Subpart F—Network Non-duplication Protection, Syndicated Exclusivity and Sports Black-out

SOURCE: 65 FR 68101, Nov. 14, 2000, unless otherwise noted.

§ 76.92 Cable network non-duplication; extent of protection.

(a) Upon receiving notification pursuant to § 76.94, a cable community unit located in whole or in part within the geographic zone for a network program, the network non-duplication rights to which are held by a commercial television station licensed by the Commission, shall not carry that program as broadcast by any other television signal, except as otherwise provided below.

(b) For purposes of this section, the order of nonduplication priority of television signals carried by a community unit is as follows:

(1) First, all television broadcast stations within whose specified zone the community of the community unit is located, in whole or in part;

(2) Second, all smaller market television broadcast stations within whose secondary zone the community of the community unit is located, in whole or in part.

(c) For purposes of this section, all noncommercial educational television broadcast stations licensed to a community located in whole or in part within a major television market as specified in § 76.51 shall be treated in the same manner as a major market commercial television broadcast station, and all noncommercial educational television broadcast stations not licensed to a community located in whole or in part within a major television market shall be treated in the same manner as a smaller market television broadcast station.

(d) Any community unit operating in a community to which a 100-watt or higher power translator is located within the predicted Grade B signal contour of the television broadcast sta-

tion that the translator station retransmits, and which translator is carried by the community unit shall, upon request of such translator station licensee or permittee, delete the duplicating network programming of any television broadcast station whose reference point (See § 76.53) is more than 88.5 km (55 miles) from the community of the community unit.

(e) Any community unit which operates in a community located in whole or in part within the secondary zone of a smaller market television broadcast station is not required to delete the duplicating network programming of any major market television broadcast station whose reference point (See § 76.53) is also within 88.5 km (55 miles) of the community of the community unit.

(f) A community unit is not required to delete the duplicating network programming of any television broadcast station which is significantly viewed in the cable television community pursuant to § 76.54.

(g) A community unit is not required to delete the duplicating network programming of any qualified NCE television broadcast station that is carried in fulfillment of the cable television system's mandatory signal carriage obligations, pursuant to § 76.56.

NOTE: With respect to network programming, the geographic zone within which the television station is entitled to enforce network non-duplication protection and priority of shall be that geographic area agreed upon between the network and the television station. In no event shall such rights exceed the area within which the television station may acquire broadcast territorial exclusivity rights as defined in § 73.658(m) of this Chapter, except that small market television stations shall be entitled to a secondary protection zone of 32.2 additional kilometers (20 additional miles). To the extent rights are obtained for any hyphenated market named in § 76.51, such rights shall not exceed those permitted under § 73.658(m) of this Chapter for each named community in that market.

§ 76.93 Parties entitled to network non-duplication protection.

Television broadcast station licensees shall be entitled to exercise non-duplication rights pursuant to § 76.92 in accordance with the contractual provisions of the network-affiliate agreement.
