

## § 1.10016

(1) If we find there is an emergency involving danger to life or property, or because equipment is damaged;

(2) If the President proclaims, or if Congress declares, a national emergency;

(3) During any war in which the United States is engaged and when grants, modifications or renewals are necessary for national defense, security or in furtherance of the war effort; or

(4) If there is an emergency where we find that it is not feasible to secure renewal applications from existing licensees or to follow normal licensing procedures.

(b) Emergency authorizations stop at the end of emergency periods or wars. After the emergency period or war, you must submit your request by filing the appropriate form either manually or electronically.

(c) The procedures for emergency requests, as described in this section, are as specified in §§ 25.120 and 63.25 of this chapter.

### § 1.10016 How do I apply for special temporary authority?

(a) Requests for Special Temporary Authority (STA) may be filed via IBFS for most services. We encourage you to file STA applications through IBFS as it will ensure faster receipt of your request.

(b) For specific information on the content of your request, refer to §§ 25.120 and 63.25 of this chapter.

### § 1.10017 How can I submit additional information?

In response to an official request for information from the International Bureau, you can submit additional information electronically directly to the requestor, or by mail to the Office of the Secretary, Attention: International Bureau.

### § 1.10018 May I amend my application?

(a) If the service rules allow, you may amend pending applications.

(b) If an electronic version of an amendment application is available in IBFS, you may file your amendment electronically through IBFS.

## 47 CFR Ch. I (10–1–11 Edition)

### Subpart Z—Communications Assistance for Law Enforcement Act

SOURCE: 71 FR 38108, July 5, 2006, unless otherwise noted.

#### § 1.20000 Purpose.

Pursuant to the Communications Assistance for Law Enforcement Act (CALEA), Public Law 103–414, 108 Stat. 4279 (1994) (codified as amended in sections of 18 U.S.C. and 47 U.S.C.), this subpart contains rules that require a telecommunications carrier to:

(a) Ensure that any interception of communications or access to call-identifying information effected within its switching premises can be activated only in accordance with appropriate legal authorization, appropriate carrier authorization, and with the affirmative intervention of an individual officer or employee of the carrier acting in accordance with regulations prescribed by the Commission; and

(b) Implement the assistance capability requirements of CALEA section 103, 47 U.S.C. 1002, to ensure law enforcement access to authorized wire and electronic communications or call-identifying information.

#### § 1.20001 Scope.

The definitions included in 47 CFR 1.20002 shall be used solely for the purpose of implementing CALEA requirements.

#### § 1.20002 Definitions.

For purposes of this subpart:

(a) *Appropriate legal authorization.* The term *appropriate legal authorization* means:

(1) A court order signed by a judge or magistrate authorizing or approving interception of wire or electronic communications; or

(2) Other authorization, pursuant to 18 U.S.C. 2518(7), or any other relevant federal or state statute.

(b) *Appropriate carrier authorization.* The term *appropriate carrier authorization* means the policies and procedures adopted by telecommunications carriers to supervise and control officers and employees authorized to assist law

## § 1.20004

enforcement in conducting any interception of communications or access to call-identifying information.

(c) *Appropriate authorization.* The term *appropriate authorization* means both appropriate legal authorization and appropriate carrier authorization.

(d) *LEA.* The term *LEA* means law enforcement agency; e.g., the Federal Bureau of Investigation or a local police department.

(e) *Telecommunications carrier.* The term *telecommunications carrier* includes:

(1) A person or entity engaged in the transmission or switching of wire or electronic communications as a common carrier for hire;

(2) A person or entity engaged in providing commercial mobile service (as defined in sec. 332(d) of the Communications Act of 1934 (47 U.S.C. 332(d))); or

(3) A person or entity that the Commission has found is engaged in providing wire or electronic communication switching or transmission service such that the service is a replacement for a substantial portion of the local telephone exchange service and that it is in the public interest to deem such a person or entity to be a telecommunications carrier for purposes of CALEA.

### § 1.20003 Policies and procedures for employee supervision and control.

A telecommunications carrier shall:

(a) Appoint a senior officer or employee responsible for ensuring that any interception of communications or access to call-identifying information effected within its switching premises can be activated only in accordance with a court order or other lawful authorization and with the affirmative intervention of an individual officer or employee of the carrier.

(b) Establish policies and procedures to implement paragraph (a) of this section, to include:

(1) A statement that carrier personnel must receive appropriate legal authorization and appropriate carrier authorization before enabling law enforcement officials and carrier personnel to implement the interception of communications or access to call-identifying information;

(2) An interpretation of the phrase "appropriate authorization" that encompasses the definitions of appropriate legal authorization and appropriate carrier authorization, as used in paragraph (b)(1) of this section;

(3) A detailed description of how long it will maintain its records of each interception of communications or access to call-identifying information pursuant to § 1.20004;

(4) In a separate appendix to the policies and procedures document:

(i) The name and a description of the job function of the senior officer or employee appointed pursuant to paragraph (a) of this section; and

(ii) Information necessary for law enforcement agencies to contact the senior officer or employee appointed pursuant to paragraph (a) of this section or other CALEA points of contact on a seven days a week, 24 hours a day basis.

(c) Report to the affected law enforcement agencies, within a reasonable time upon discovery:

(1) Any act of compromise of a lawful interception of communications or access to call-identifying information to unauthorized persons or entities; and

(2) Any act of unlawful electronic surveillance that occurred on its premises.

### § 1.20004 Maintaining secure and accurate records.

(a) A telecommunications carrier shall maintain a secure and accurate record of each interception of communications or access to call-identifying information, made with or without appropriate authorization, in the form of single certification.

(1) This certification must include, at a minimum, the following information:

(i) The telephone number(s) and/or circuit identification numbers involved;

(ii) The start date and time that the carrier enables the interception of communications or access to call identifying information;

(iii) The identity of the law enforcement officer presenting the authorization;

(iv) The name of the person signing the appropriate legal authorization;
