

§61.134

This is to report that (name of concurring carrier) assents to and concurs in the tariffs described below. (Name of concurring carrier) thus makes itself a party to these tariffs and obligates itself (and its connecting carriers) to observe every provision in them, until a notice of revocation is filed with the Commission and delivered to the issuing carrier.

This concurrence applies to interstate (and foreign) communication:

1. Between the different points on the concurring carrier's own system;
2. Between all points on the concurring carrier's system and the systems of its connecting carriers; and
3. Between all points on the system of the concurring carrier and the systems of its connecting carriers on the one hand, and, on the other hand, all points on the system of the carrier issuing the tariff or tariffs listed below and the systems of its connecting carriers and other carriers with which through routes have been established.

(NOTE: Any of the above numbered paragraphs may be omitted or the wording modified to state the points to which the concurrence applies.)

(b) No material is to be included in a concurrence other than that indicated in the above-prescribed form, unless specially authorized by the Commission. A concurrence in any tariff so described will be deemed to include all amendments and successive issues which the issuing carrier may make and file. All such amendments and successive issues will be binding between customers and carriers. Between carriers themselves, however, the filing by the issuing carrier of an amendment or successive issue with the Commission must not imply or be construed to imply an agreement to the filing by concurring carriers. Such filings do not affect the contractual rights or remedies of any concurring carrier(s) which have not, by contract or other-

wise, specifically consented in advance to such amendment or successive issue.

§61.134 Concurrences for through services.

An issuing carrier filing rates or regulations for through services between points on its own system and points on another carrier's system (or systems), or between points on another carrier's system (or systems), must list all concurring, connecting or other participating carriers as provided in §61.54 (f), (g) and (h). A concurring carrier must tender a properly executed instrument of concurrence to the issuing carrier. If rates and regulations of the other carriers engaging in the through service(s) are not specified in the issuing carrier's tariff, that tariff must state where the other carrier's rates and regulations can be found. Such reference(s) must contain the FCC number(s) of the referenced tariff publication(s), the exact name(s) of the carrier(s) issuing such tariff publication(s), and must clearly state how the rates and regulations in the separate publications apply.

§61.135 Concurrences for other purposes.

When an issuing carrier permits another carrier to concur in its tariff, the issuing carrier's tariff must state the concurring carrier's rates and points of service.

§61.136 Revocation of concurrences.

A concurrence may be revoked by a revocation notice or cancelled by a new concurrence. A revocation notice or a new concurrence, if less broad in scope than the concurrence it cancels, must bear an effective date not less than 45 days after its receipt by the Commission. A revocation notice is not given a serial number, but must specify the number of the concurrence to be revoked and the name of the carrier in whose favor the concurrence was

Subpart H—Applications for Special Permission

§ 61.151 Scope.

Sections 61.152 and 61.153 set forth the procedures to be followed by a carrier applying for a waiver of any of the rules in this part. [55 FR 19173, May 8, 1990]

§ 61.152 Terms of applications and grants.

Applications for special permission must contain:

- (a) A detailed description of the tariff publication proposed to be put into effect;
- (b) A statement citing the specific rules and the grounds on which waiver is sought;
- (c) A showing of good cause; and
- (d) A statement as to the date and method of filing the original of the application for special permission as required by §61.153(b) and the date and method of filing the copies required by §61.153 (a) and (c).

If approved, the carrier must comply with all terms and use all authority specified in the grant. If a carrier elects to use less than the authority granted, it must apply to the Commission for modification of the original grant. If a carrier elects not to use the authority granted within sixty days of its effective date, the original grant will be automatically cancelled by the Commission.

(a) An application for special permission must be addressed to "Secretary, Federal Communication Commission, Washington, DC 20554." The date on which the application is received by the Secretary of the Commission (or the Mail Room where submitted by mail) is considered the official filing date.

(b) In addition, except for issuing carriers filing tariffing fees electronically, for all special permission applications requiring fees as set forth in part 1, subpart G of this chapter, the issuing carrier must submit the original of the application letter (without attachments), FCC Form 159, and the appropriate fee to the U.S. Bank, St. Louis, Missouri at the address set forth in §1.1105 of this chapter. Issuing carriers submitting tariffing fees electronically should submit the Form 159 and the original cover letter to the Secretary of the Commission in lieu of the U.S. Bank. The Form 159 should display the Electronic Audit Code in the box in the upper left hand corner marked "reserved." Issuing carriers should submit these fee materials on the same date as the submission in paragraph (a) of this section.

(c) In addition to the requirements set forth in paragraphs (a) and (b) of this section, the issuing carrier must send a copy of the application letter with all attachments to the Secretary, Federal Communications Commission and a separate copy with all attachments to the Chief, Pricing Policy Division. If a carrier applies for special permission to revise joint tariffs, the application must state that it is filed on behalf of all carriers participating in the affected service.
