[56 FR 36731, Aug. 1, 1991. Redesignated and amended at 73 FR 21259, Apr. 21, 2008]

§ 64.610 Establishment of a National Deaf-Blind Equipment Distribution Program.

(a) The National Deaf-Blind Equipment Distribution Program (NDBEDP) is established as a pilot program to distribute specialized customer premises equipment (CPE) used for telecommunications service, Internet access service, and advanced communications, including interexchange services and advanced telecommunications and information services, to low-income individuals who are deaf-blind. The duration of this pilot program will be two years, with a Commission option to extend such program for an additional year.

(b) *Certification to receive funding.* For each state, the Commission will certify a single program as the sole authorized entity to participate in the NDBEDP and receive reimbursement for its program's activities from the Interstate Telecommunications Relay Service Fund (TRS Fund). Such entity will have full oversight and responsibility for distributing equipment and providing related services in that state, either directly or through collaboration, partnership, or contract with other individuals or entities in-state or out-of-state, including other NDBEDP certified programs.

(1) Any state with an equipment distribution program (EDP) may have its EDP apply to the Commission for certification as the sole authorized entity for the state to participate in the NDBEDP and receive reimbursement for its activities from the TRS Fund.
