### § 76.1703 Commercial records on children's programs.

Cable operators airing children's programming must maintain records sufficient to verify compliance with § 76.225 and make such records available to the public. Such records must be maintained for a period sufficient to cover the limitations period specified in 47 U.S.C. 503(b)(6)(B).

### § 76.1704 Proof-of-performance test data.

(a) The proof of performance tests required by § 76.601 shall be maintained on file at the operator's local business

office for at least five years. The test data shall be made available for inspection by the Commission or the local franchiser, upon request.

(b) The provisions of paragraph (a) of this section shall not apply to any cable television system having fewer than 1,000 subscribers, subject to the requirements of § 76.601(d).

NOTE TO § 76.1704: If a signal leakage log is being used to meet proof of performance test recordkeeping requirements in accordance with § 76.601, such a log must be retained for the period specified in § 76.601(d).

### § 76.1705 Performance tests (channels delivered).

The operator of each cable television system shall maintain at its local office a current listing of the cable television channels which that system delivers to its subscribers.

### § 76.1706 Signal leakage logs and repair records.

Cable operators shall maintain a log showing the date and location of each leakage source identified pursuant to § 76.614, the date on which the leakage was repaired, and the probable cause of the leakage. The log shall be kept on file for a period of two years and shall be made available to authorized representatives of the Commission upon request.

NOTE TO § 76.1705: If a signal leakage log is being used to meet proof of performance test recordkeeping requirements in accordance with § 76.601, such a log must be retained for the period specified in § 76.601(d).

### § 76.1707 Leased access.

If a cable operator adopts and enforces a written policy regarding indecent leased access programming pursuant to § 76.701, such a policy will be considered published pursuant to that rule by inclusion of the written policy in the operator's public inspection file.

### § 76.1708 Principal headend.

(a) The operator of every cable television system shall maintain for public inspection the designation and location of its principal headend. If an operator changes the designation of its principal headend, that new designation must be included in its public file.

**§ 76.1709**

(b) Such records must be maintained in accordance with the provisions of § 76.1700(b).

**§ 76.1709 Availability of signals.**

(a) Effective June 17, 1993, the operator of every cable television system shall maintain for public inspection a file containing a list of all broadcast television stations carried by its system in fulfillment of the must-carry requirements pursuant to § 76.56. Such list shall include the call sign, community of license, broadcast channel number, cable channel number, and in the case of a noncommercial educational broadcast station, whether that station was carried by the cable system on March 29, 1990.

(b) Such records must be maintained in accordance with the provisions of § 76.1700(b).

(c) A cable operator shall respond in writing within 30 days to any written request by any person for the identification of the signals carried on its system in fulfillment of the requirements of § 76.56.

**§ 76.1710 Operator interests in video programming.**

(a) Cable operators are required to maintain records in their public file for a period of three years regarding the nature and extent of their attributable interests in all video programming services as well as information regarding their carriage of such vertically integrated video programming services on cable systems in which they have an attributable interest. These records must be made available to local franchise authorities, the Commission, or members of the public on reasonable notice and during regular business hours.

(b) "Attributable interest" shall be defined by reference to the criteria set forth in the Notes to § 76.501.

**§ 76.1711 Emergency alert system (EAS) tests and activation.**

Every cable system of 1,000 or more subscribers shall keep a record of each test and activation of the Emergency Alert System (EAS) procedures pursuant to the requirement of part 11 of this chapter and the EAS Operating

**47 CFR Ch. I (10–1–11 Edition)**

Handbook. These records shall be kept for three years.

**§ 76.1712 Open video system (OVS) requests for carriage.**

An open video system operator shall maintain a file of qualified video programming providers who have requested carriage or additional carriage since the previous allocation of capacity. Information regarding how a video programming provider should apply for carriage must be made available upon request.

NOTE 1 TO § 76.1712: An open video system operator will not be required to comply with the regulations contained in this section if there is no open capacity to be allocated at the end of the three year period described in § 76.1503(c)(2)(ii).

**§ 76.1713 Complaint resolution.**

Cable system operators shall establish a process for resolving complaints from subscribers about the quality of the television signal delivered. Aggregate data based upon these complaints shall be made available for inspection by the Commission and franchising authorities, upon request. These records shall be maintained for at least a one-year period.

NOTE 1 TO § 76.1713: Prior to being referred to the Commission, complaints from subscribers about the quality of the television signal delivered must be referred to the local franchising authority and the cable system operator.

**§ 76.1714 FCC rules and regulations.**

(a) The operator of a cable television system shall have a current copy of part 76 and, if subject to the Emergency Alert System (EAS) rules contained in part 11 of this chapter, an EAS Operating Handbook, and is expected to be familiar with the rules governing cable television systems and the EAS. Copies of the Commission's rules may be obtained from the Superintendent of Documents, Government Printing Office, Washington, DC 20402, at nominal cost. Copies of the EAS Operating Handbook may be obtained from the Commission's EAS staff, in Washington, DC.

(b) The provisions of paragraph (a) of this section are not applicable to any
