

Federal Communications Commission

§ 76.1801

cable television system serving fewer than 1000 subscribers.

(c) The licensee of a cable television relay station (CARS) shall have a current copy of part 78 of this chapter, and, in cases where aeronautical obstruction markings of antennas is required, part 17 of this chapter shall be available for use by the operator in charge. Both the licensee and the operator or operators responsible for the proper operation of the station are expected to be familiar with the rules governing cable television relay stations. Copies of the Commission's rules may be obtained from the Superintendent of Documents, Government Printing Office, Washington, DC 20402, at nominal cost.

§ 76.1715 Sponsorship identification.

Whenever sponsorship announcements are omitted pursuant to § 76.1615(f) of subpart T, the cable television system operator shall observe the following conditions:

(a) Maintain a list showing the name, address, and (where available) the telephone number of each advertiser;

(b) Make this list available to members of the public who have a legitimate interest in obtaining the information contained in the list.

§ 76.1716 Subscriber records and public inspection file.

The operator of a cable television system shall make the system, its public inspection file, and its records of subscribers available for inspection upon request by an authorized representative of the Commission at any reasonable hour.

§ 76.1717 Compliance with technical standards.

Each system operator shall be prepared to show, on request by an authorized representative of the Commission or the local franchising authority, that the system does, in fact, comply with the technical standards rules in part 76, subpart K.
