§ 0.458 Nonpublic information.

Any person regulated by or practicing before the Commission coming into possession of written nonpublic information (including written material transmitted in electronic form) as described in § 19.735-203(a) of this chapter under circumstances where it appears that its release was inadvertent or otherwise unauthorized shall be obligated to and shall promptly return the information to the Commission's Office of Inspector General without further distribution or use. See 47 CFR 19.735-203.

§ 0.459 Requests that materials or information submitted to the Commission be withheld from public inspection.

(a)(1) *Procedures applicable to filings in non-electronic proceedings.* Any person submitting information or materials to

the Commission may submit therewith a request that such information not be made routinely available for public inspection. (If the materials are specifically listed in § 0.457, such a request is unnecessary.) A copy of the request shall be attached to and shall cover all of the materials to which it applies and all copies of those materials. If feasible, the materials to which the request applies shall be physically separated from any materials to which the request does not apply; if this is not feasible, the portion of the materials to which the request applies shall be identified. In the latter circumstance, where confidential treatment is sought only for a portion of a document, the person submitting the document shall submit a redacted version for the public file.

(2) *Procedures applicable to filings in electronic proceedings.* In proceedings to which the electronic filing requirements set forth in § 1.49(f) of this chapter apply, a party seeking confidential treatment of a portion of a filing must submit in electronic format either a redacted version of the document or an affidavit that it is impossible to submit a redacted document consistent with the filing requirements of this section. Where a party demonstrates that even the fact of a filing must remain confidential, and that this is consistent with the requirements of this section, this affidavit may be filed in paper format under seal.

(3) Comments and other materials may not be submitted by means of the Commission's Electronic Comment Filing System (ECFS) with a request for confidential treatment under this section.

(4) The Commission may use abbreviated means for indicating that the submitter of a record seeks confidential treatment, such as a checkbox enabling the submitter to indicate that the record is confidential. However, upon receipt of a request for inspection of such records pursuant to § 0.461, the submitter will be notified of such request pursuant to § 0.461(d)(3) and will be requested to justify the confidential treatment of the record, as set forth in paragraph (b) of this section.
