

## Federal Communications Commission

## § 1.7001

such petition has been filed. Any replies in a Commission proceeding must be served on all parties and filed within 15 days thereafter.

(f) Copies of petitions for declaratory rulings and waivers must be served on interested parties, including parties against whom the petitioner seeks to enforce the restriction or parties whose restrictions the petitioner seeks to prohibit. A certificate of service stating on whom the petition was served must be filed with the petition. In addition, in a Commission proceeding brought by an association or a local government, constructive notice of the proceeding must be given to members of the association or to the citizens under the local government's jurisdiction. In a court proceeding brought by an association, an association must give constructive notice of the proceeding to its members. Where constructive notice is required, the petitioner or plaintiff must file with the Commission or the court overseeing the proceeding a copy of the constructive notice with a statement explaining where the notice was placed and why such placement was reasonable.

(g) In any proceeding regarding the scope or interpretation of any provision of this section, the burden of demonstrating that a particular governmental or nongovernmental restriction complies with this section and does not impair the installation, maintenance, or use of devices used for over-the-air reception of video programming services or devices used to receive or transmit fixed wireless signals shall be on the party that seeks to impose or maintain the restriction.

(h) All allegations of fact contained in petitions and related pleadings before the Commission must be supported by affidavit of a person or persons with actual knowledge thereof. An original and two copies of all petitions and pleadings should be addressed to the Secretary, Federal Communications Commission, 445 12th Street, SW, Washington, DC 20554. Copies of the petitions and related pleadings will be available for public inspection in the Reference Information Center, Consumer and Governmental Affairs Bureau, Federal Communications Commission, 445 12th Street, SW, Wash-

ington, DC 20554. Copies will be available for purchase from the Commission's contract copy center, and the Commission decisions will be available on the Internet.

### Subpart T—[Reserved]

### Subpart U—[Reserved]

### Subpart V—Implementation of Section 706 of the Telecommunications Act of 1996; Commission Collection of Advanced Telecommunications Capability Data

SOURCE: 65 FR 19684, Apr. 12, 2000; 65 FR 24654, Apr. 27, 2000, unless otherwise noted.

#### § 1.7000 Purpose.

The purpose of this subpart is to set out the terms by which certain commercial and government-controlled entities report data to the Commission concerning the deployment of advanced telecommunications capability, defined pursuant to 47 U.S.C. 157 as "high-speed, switched, broadband telecommunications capability that enables users to originate and receive high-quality voice, data, graphics, and video telecommunications using any technology," and the deployment of services that are competitive with advanced telecommunications capability.

#### § 1.7001 Scope and content of filed reports.

(a) *Definitions.* Terms used in this subpart have the following meanings:

(1) *Facilities-based providers.* Those entities that provide broadband services over their own facilities or over Unbundled Network Elements (UNEs), special access lines, and other leased lines and wireless channels that the entity obtains from a communications service provider and equips as broadband.

(2) *Own facilities.* Lines and wireless channels the entity actually owns and facilities that it obtained the right to use from other entities as dark fiber or satellite transponder capacity.

## § 1.7002

(3) *One-way broadband lines or wireless channels.* Lines or wireless channels with information carrying capability in excess of 200 Kbps in at least one direction, but not both.

(4) *Own facilities.* Lines and wireless channels the entity actually owns and facilities that it obtained the right to use from other entities as dark fiber or satellite transponder capacity.

(b) All commercial and government-controlled entities, including but not limited to common carriers and their affiliates (as defined in 47 U.S.C. 153 (1)), cable television companies, fixed wireless providers, terrestrial and satellite mobile wireless providers, utilities and others, that are facilities-based providers, shall file with the Commission a completed FCC Form 477, in accordance with the Commission's rules and the instructions to the FCC Form 477, for each state in which they provide service.

(c) Respondents identified in paragraph (b) of this section shall include in each report a certification signed by an appropriate official of the respondent (as specified in the instructions to FCC Form 477).

(d) Respondents may make requests for Commission non-disclosure of provider-specific data contained in FCC Form 477 under §0.459 of this chapter by so indicating on Form 477 at the time that the subject data are submitted. The Commission shall make all decisions regarding non-disclosure or provider-specific information, except that the Chief of the Wireline Competition Bureau may release provider-specific information to a state commission provided that the state commission has protections in place that would preclude disclosure of any confidential information.

(e) Respondents identified in paragraph (b) of this section shall file a revised version of FCC Form 477 if and when they discover a significant error in their filed FCC Form 477. For counts, a difference amounting to 5 percent of the filed number is considered significant. For percentages, a difference of 5 percentage points is considered significant.

(f) Failure to file the FCC Form 477 in accordance with the Commission's rules and the instructions to the Form

## 47 CFR Ch. I (10–1–12 Edition)

477 may lead to enforcement action pursuant to the Act and any other applicable law.

### § 1.7002 Frequency of reports.

Entities subject to the provisions of § 1.7001 shall file reports semi-annually. Reports shall be filed each year on or before March 1st (reporting data about the status of their broadband deployment as of December 31 of the prior year) and September 1st (reporting data about the status of their broadband deployment as of June 31 of the current year). Entities becoming subject to the provisions of § 1.7001 for the first time within a calendar year shall file data for the reporting period in which they become eligible and semi-annually thereafter. Entities subject to the provisions of § 1.7001 shall make an initial filing of the FCC Form 477 on May 15, 2000 (reporting data about the status of their broadband deployment as of December 31, 1999).

## Subpart W—FCC Registration Number

SOURCE: 66 FR 47895, Sept. 14, 2001, unless otherwise noted.

### § 1.8001 FCC Registration Number (FRN).

(a) The FCC Registration Number (FRN) is a 10-digit unique identifying number that is assigned to entities doing business with the Commission.

(b) The FRN is obtained through the Commission Registration System (CORES) over the Internet at the CORES link at [www.fcc.gov](http://www.fcc.gov) or by filing FCC Form 160.

### § 1.8002 Obtaining an FRN.

(a) The FRN must be obtained by anyone doing business with the Commission, see 31 U.S.C. 7701(c)(2), including but not limited to:

(1) Anyone required to pay statutory charges under subpart G of this part;
