credit, and may disqualify the winning bidder from the receipt of Mobility Fund Phase I support or additional USF support.

(2) A performance default will be evidenced by a letter issued by the Chief of either the Wireless Bureau or Wireline Bureau or their respective designees, which letter, attached to a standby letter of credit draw certificate, shall be sufficient for a draw on the standby letter of credit for the entire amount of the standby letter of credit.

§ 54.1008 Mobility Fund Phase I disbursements.

(a) A winning bidder for Mobility Fund Phase I support will be advised by public notice whether it has been authorized to receive support. The public notice will detail how disbursement will be made available.

(b) Mobility Fund Phase I support will be available for disbursement to authorized winning bidders in three stages.

(1) One-third of the total possible support, if coverage were to be extended to 100 percent of the units deemed unserved in the geographic area, when the winning bidder is authorized to receive support.

(2) One-third of the total possible support with respect to a specific geographic area when the recipient demonstrates coverage of 50 percent of the coverage requirements of § 54.1006(a) or (b), as applicable.

(3) The remainder of the total support, based on the final total units covered, when the recipient demonstrates coverage meeting the requirements of § 54.1006(a) or (b), as applicable.

(c) A recipient accepting a final disbursement for a specific geographic area based on coverage of less than 100 percent of the units in the area previously deemed unserved waives any claim for the remainder of potential Mobility Fund Phase I support with respect to that area.

(d) Prior to each disbursement request, a winning bidder for support in a Tribal land will be required to certify that it has substantively engaged appropriate Tribal officials regarding the issues specified in § 54.1004(d)(1), at a minimum, as well as any other issues

47 CFR Ch. I (10–1–12 Edition)

specified by the Commission and to provide a summary of the results of such engagement.

(e) Prior to each disbursement request, a winning bidder will be required to certify that it is in compliance with all requirements for receipt of Mobility Fund Phase I support at the time that it requests the disbursement.

EFFECTIVE DATE NOTE: At 77 FR 73877, Nov. 29, 2011, § 54.1008 was added. Paragraph (d) of this section contains information collection and recordkeeping requirements and will not be effective until approval has been given by the Office of Management and Budget.

§ 54.1009 Annual reports.

(a) A winning bidder authorized to receive Mobility Fund Phase I support shall submit an annual report no later than July 1 in each year for the five years after it was so authorized. Each annual report shall include the following, or reference the inclusion of the following in other reports filed with the Commission for the applicable year:

(1) Electronic Shapefiles site coverage plots illustrating the area newly reached by mobile services at a minimum scale of 1:240,000;

(2) A list of relevant census blocks previously deemed unserved, with road miles and total resident population and resident population residing in areas newly reached by mobile services (based on Census Bureau data and estimates);

(3) If any such testing has been conducted, data received or used from drive tests, or scattered site testing in areas where drive tests are not feasible, analyzing network coverage for mobile services in the area for which support was received;

(4) Certification that the applicant offers service in supported areas at rates that are within a reasonable range of rates for similar service plans offered by mobile wireless providers in urban areas;

(5) Any applicable certifications and showings required in § 54.1004; and

(6) Updates to the information provided in § 54.1005(b)(2)(v).

(b) The party submitting the annual report must certify that they have

PART 59—INFRASTRUCTURE SHARING

Sec.

59.1 General duty.

59.2 Terms and conditions of infrastructure sharing.

59.3 Information concerning deployment of new services and equipment.

59.4 Definition of “qualifying carrier”.

AUTHORITY: 47 U.S.C. 154(i), 154(j), 201-205, 259, 303(r), 403.

SOURCE: 62 FR 9713, Mar. 4, 1997, unless otherwise noted.

§ 59.1 General duty.

Incumbent local exchange carriers (as defined in 47 U.S.C. section 251(h)) shall make available to any qualifying carrier such public switched network

infrastructure, technology, information, and telecommunications facilities and functions as may be requested by such qualifying carrier for the purpose of enabling such qualifying carrier to provide telecommunications services, or to provide access to information services, in the service area in which such qualifying carrier has obtained designation as an eligible telecommunications carrier under section 214(e) of 47 U.S.C.

§ 59.2 Terms and conditions of infrastructure sharing.

(a) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be required to take any action that is economically unreasonable or that is contrary to the public interest.

(b) An incumbent local exchange carrier subject to the requirements of section 59.1 may, but shall not be required to, enter into joint ownership or operation of public switched network infrastructure, technology, information and telecommunications facilities and functions and services with a qualifying carrier as a method of fulfilling its obligations under section 59.1.

(c) An incumbent local exchange carrier subject to the requirements of section 59.1 shall not be treated by the Commission or any State as a common carrier for hire or as offering common carrier services with respect to any public switched network infrastructure, technology, information, or telecommunications facilities, or functions made available to a qualifying carrier in accordance with regulations issued pursuant to this section.

(d) An incumbent local exchange carrier subject to the requirements of section 59.1 shall make such public switched network infrastructure, technology, information, and telecommunications facilities, or functions available to a qualifying carrier on just and reasonable terms and pursuant to conditions that permit such qualifying carrier to fully benefit from the economies of scale and scope of such local exchange carrier. An incumbent local exchange carrier that has entered into an infrastructure sharing agreement pursuant to section 59.1 must give notice to the qualifying carrier at least
